Fair Housing-How to identify discrimination and your rights!

April 19, 2017 5:00 - 7:00pm;Rio Vista Recreation Ctr—8866 W Thunderbird Rd
(located ½ mile north on Rio Vista Blvd in Park)

Discrimination complaints are increasing and testing has revealed continued instances of discriminatory practices in housing here in Arizona and more so in Maricopa County. Many individuals and families are subjected to unfair and unlawful acts of housing discrimination today. Complaints based on national origin, race, color, religion, sex, familial status, and physical and mental disability indicate that violations of federal, state, and local fair housing laws continue to occur which prevents protected class individuals from obtaining the housing they choose and can afford. It impacts their educational opportunity and access to health and other programs that are structured to assist individuals and families succeed.

This Fair Housing workshop, delivered by the staff of the Arizona Fair Housing Center; Enrique Medina, Executive Director, Linda Aguirre, Deputy Director/ Project Manager and Shawna Tarboro, Senior Housing Specialist. Will give an overview of fair housing rights and remedies. Attendees will leave with:

*An understanding of Fair Housing Rights and the Procedures to file Complaints
* Mission and purpose of the Arizona Fair Housing Center& other advocate agencies
*Fair housing complaint process and procedures. How to file a fair housing complaint with HUD
*Fair housing investigation. The process used by the center to uncover unfair housing practices

Want to Boost Your Brain Health - Banner Brain Health Program

June 13, 2017   9:00-11:30am; Sunrise Mountain Library - 21109 N 98th Ave, Peoria AZ 85382

Want to boost your brain health? *Come flex your brain muscles at a FREE Brain Health Program!*
Heather Mulder is the Outreach Program Manager for the Banner Alzheimer's Institute. In her work, she strives to provide relevant & pertinent information about Alzheimer's disease and the supports.
Heather has earned many speaking designations and written dozens of articles on aging services.
Your brain is so much more than memory! In this program, learn about the different domains of your brain, such as cognition, language, attention, visuospatial, executive function, and, of course, memory.
By starting with a discussion of the difference between "normal aging" & something more serious & a self-assessment, the Brain Health Program can act as your personal trainer by teaching you activities to aid in strengthening domains that you want to improve.
Also reviewed are lifestyle factors related to brain health. Class is limited to 25 registrants.

Registration is required for all classes at: Ginger.Sanabria@peoriaaz.gov or call 623-773-7070
