RE: Neighborhood Meeting - Drivetech Auto and Truck  
Arrowhead Ranch Business Park  
21469 North 78<sup>th</sup> Avenue Suite 150  
Peoria, Arizona

Dear Mr. Proch,

As a follow up to our neighborhood meeting, the following shall serve as a summary from the meeting which occurred on Thursday, April 13, 2017.

We hosted a meeting in the Lecture Hall (E100) of Sunrise Mountain High School, at 6:00 to 7:00 pm and invited all of the neighboring parties directly affected or with interest in our application for Conditional Use Permit.

There were a total of six people in attendance during the hour, including Vice Mayor Edwards, which is referenced on the attached sign-in sheet.

Two of the individuals in attendance operate a neighboring business called Deer Valley Car Care, located in the same complex as the proposal. They were interested in learning more about our business and how we could potentially work together. We learned they focus on general auto care while we specialize in diesel repairs. We're excited for the synergy we formed and the opportunity to send customers to each other.

There was no one in attendance opposing our proposal or request for approval. We look forward to next steps to obtain formal approval of our Conditional Use Permit and our eventual grand opening at the subject property.

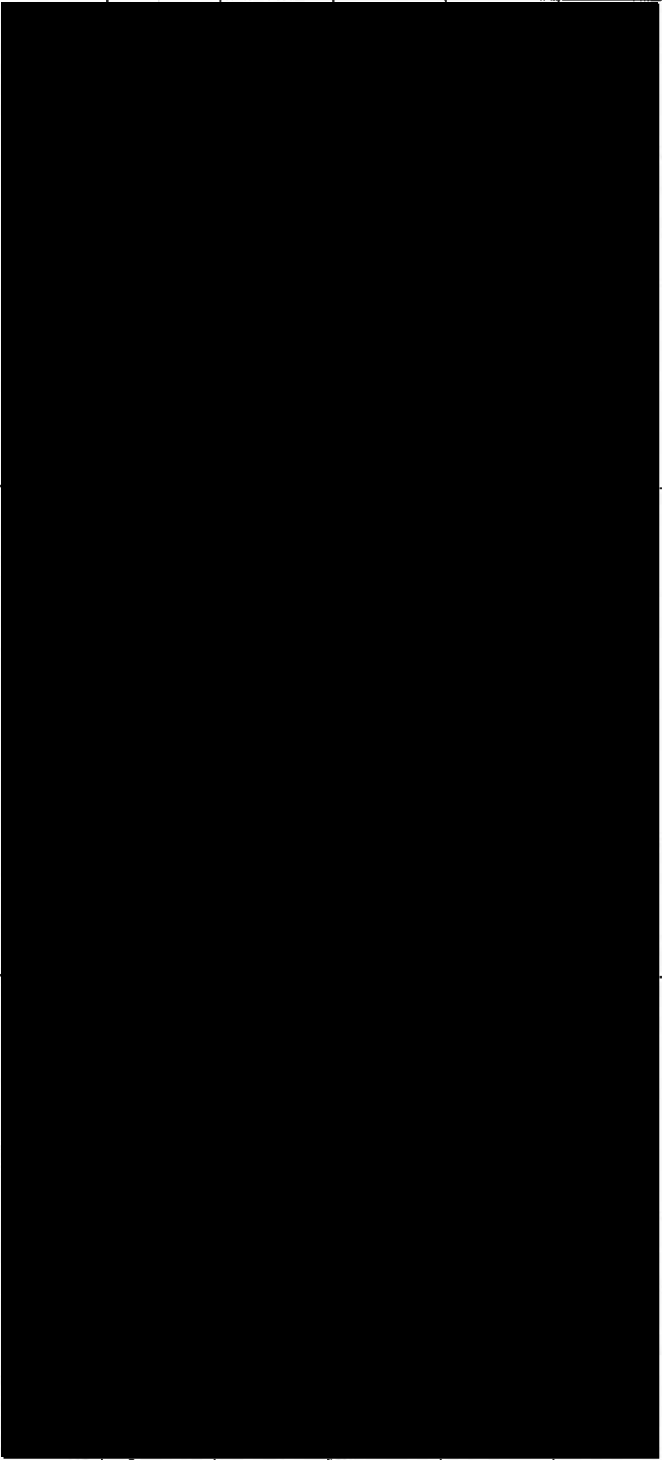

Please let me know if you have any questions or require any additional information.

Chuck Burris  
Owner  
Drivetech Auto and Truck
