

David Boyer –Reno, Nevada

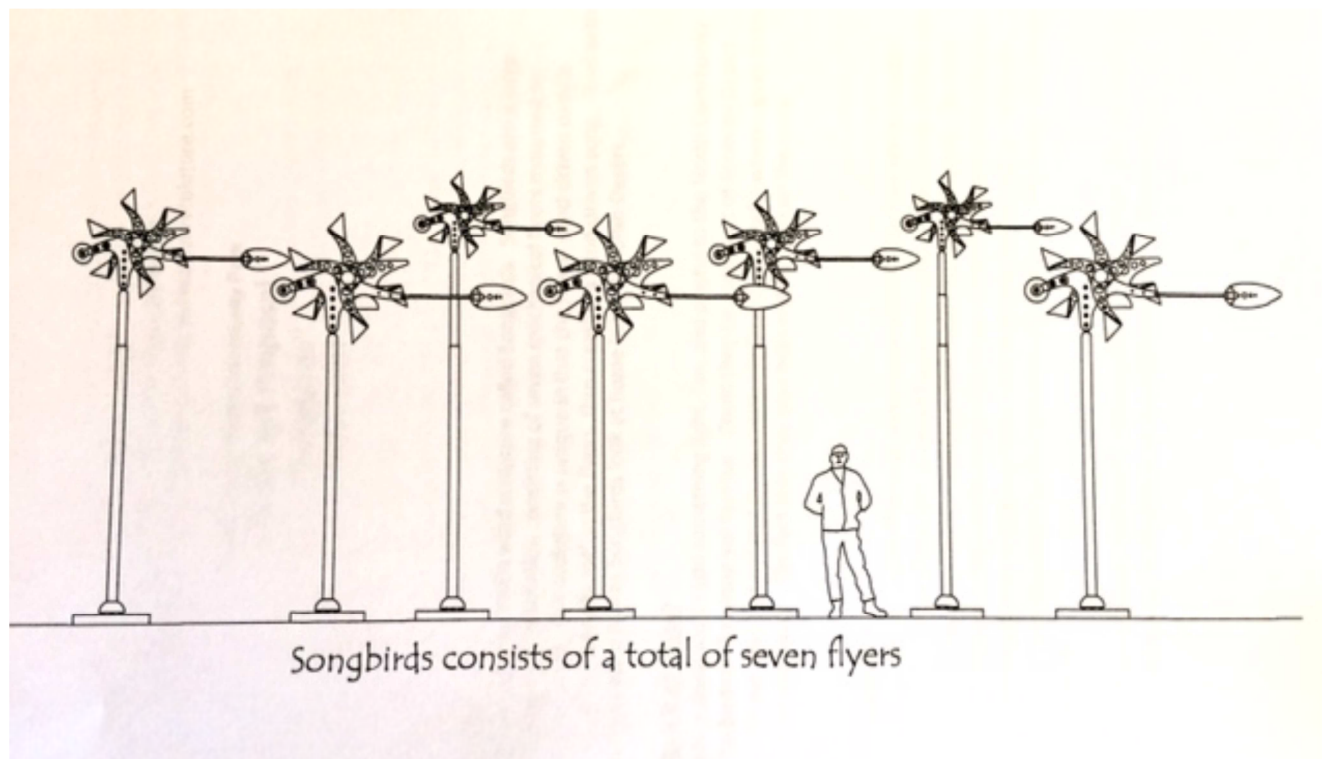

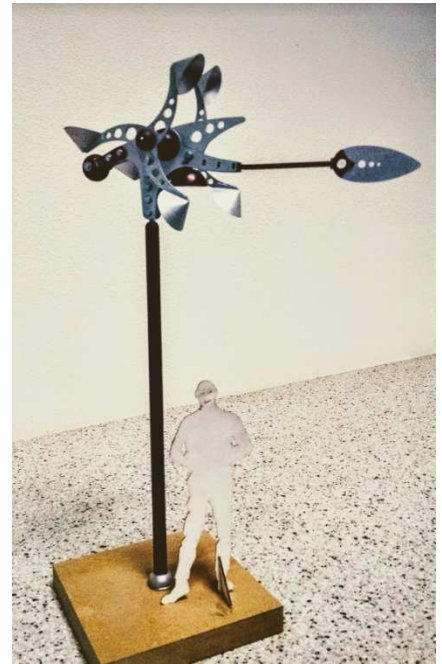

“Songbirds”

Weblink for Artist Presentation:

<https://www.youtube.com/watch?v=ciNwJKh5pQw>

Concept:

- Light fun and playful –unique birdlike look
- 7 mechanical flyers will have unique sized bells for different notes.
- Slightest breeze moves the wings
- Different sized paddle wheels ensure notes struck at different rates, creating Non-repeating random “songs”

Beth Nybeck –Kansas City, Missouri

“VIDA”

Weblink for Artist Presentation

<https://www.youtube.com/watch?v=jk0E4b8ates>:

Concept:

- Inspired by aesthetic nature of the agave plant
- Desert plants survive & thrive in water desolate conditions. Pays tribute to strength, endurance, adaptability, and life.
- 7 elements: a center spire, three tall leaves, and three smaller leaves
- Each element is freestanding, allowing people to walk around and through artwork
- Surface design has an elaborate design cut out representing plant at microscopic level
