Vistancia
Planned Community District
Major Amendment

Citizen Participation Report

Application Case #: Z01-10A.16
First Submittal: July 18, 2023

Applicant/Representative:

TIFFANY & BOSCO P.A.

William E. Lally
2525 E. Camelback Road
Phoenix, AZ 85016

Project Description

Vistancia is a master planned community comprising over 7,100 acres, located in land within the northern region of Peoria, southwest of Lake Pleasant Regional Park. The property is generally bounded by the Cloud Road alignment on the north, the Jomax Road alignment on the south, the 113th Avenue alignment on the east and the 163rd Avenue alignment on the west. For over twenty years, the Vistancia master planned community has been the flagship development within the City of Peoria and has held a place as one of the best, top selling master planned communities within Arizona. Designed to offer a broad range of housing types, extensive employment opportunities, as well as 36 holes of private and/or public golf, Vistancia is a desirable destination.

A master planned community of this size and scale takes decades to develop and as such, it is normal and customary for plans to evolve and change over time to meet the current conditions and needs of the surrounding area. As with any evolving and maturing planned community, there are refinements to the vision and overall plan. These refinements are often responsive to regional influences (such as the Loop 303), market conditions or other factors, which affect the evolution of the community. Accordingly, Vistancia Development is processing a major amendment to the Vistancia Planned Community District (VPCD), which seeks to further expand and support demand for diversity of housing stock within the Commercial Core (formerly known as Village D/now FIVE NORTH at VISTANCIA). A total of one thousand five hundred (1,500) dwelling units, which are currently supported by existing infrastructure, will be added to the Commercial Core, bringing the overall dwelling unit maximum for the VPCD to twelve thousand (12,000) dwelling units.

Other minor changes to the VPCD will be included with this amendment in order to process a comprehensive update with this submittal. However, the major amendment only affects the 442-acre FIVE NORTH community within Vistancia.

Outreach Summary

In order to communicate the proposed major amendment to a very large master planned community, Vistancia Development and their team embarked on an ambitious and significant outreach process to ensure the flow of communication to ALL residents of Vistancia.

On April 27, 2023, just prior to the first community open house, Vistancia Development released a public press announcement and an article in the AZ Republic describing the FIVE NORTH at VISTANCIA development plan including the proposed additional 1,500 multi-family component. This press release was subsequently re-published by multiple news outlets online. Attached at *Tab 1* is the Media Placement Summary as well as copies

of the press release and news articles. The press release was concurrently placed in the May issue of the Vistancia Living Resident Magazine.

The outreach included a May 1, 2023, general 'walk-around' open house with the Vistancia Development Team to describe the latest plans for the Commercial Core (Village D within the VPCD) and alert them to the core's new marketing name, FIVE NORTH at VISTANCIA. At the open house, approximately 300+ attendees were able to walk around to stations within the Vistancia Mountain Vista Club gymnasium to discuss the plans with members of the Vistancia Development Team. Attached at *Tab 2* were the plans shown at the May 1, 2023 general open house.

The method of notice used for the May 1 open house included:

- Email: Vistancia resident EBlasts were deployed on April 26th to residents living in The Village, Blackstone, Northpointe and Trilogy (approx. 17,500 residents) announcing date, location/directions and meeting format information. (see attached at *Tab 3*)
- Social Media: Vistancia resident Facebook posts were posted on April 26th to residents living in The Village and Northpointe announcing date, location/directions and meeting format information (see attached at *Tab 4*).
- Website: A Vistancia Zoning website went live on May 1, 2023 providing Project Details, Date/Time of May 1 Meeting, FAQ's (see attached at *Tab 5*)

On June 7, 2023, the Vistancia Development team held another meeting, the required neighborhood meeting, in the same location (Vistancia Mountain Vista Club gymnasium), to present to Vistancia residents and properties just outside the master planned community the major amendment proposed to the VPCD. At that neighborhood meeting there were approximately 400 attendees. Knowing that there would be many attendees, the Vistancia Development team rented chairs in order to accommodate the large attendance. The format for this neighborhood meeting was formal presentation by the Vistancia Development team and a question-and-answer session. Attached at *Tab 6* is the presentation given at the neighborhood meeting.

For this neighborhood meeting, the following notice methods were used to ensure all residents of Vistancia were notified, as well as properties bordering Vistancia:

- Noticed the property owners within 1,320 feet of FIVE NORTH with a postcard (see attached at *Tab 7*)
- Noticed all property owners within Vistancia with same postcard
- Noticed all property owners within 1,320 feet outside the entire boundary of Vistancia with same postcard

- FIVE NORTH was posted with two signs (although only **one** is required) on El Mirage Road, one at the Ridgeline Rd. alignment and one at the Westward Skies Dr. alignment (see attached) (see photos of signs and affidavit attached at *Tab 8)*
- Several Vistancia EBlasts were deployed to residents living in The Village, Blackstone, Northpointe and Trilogy (approx. 17,500 residents) announcing date, location/directions and meeting format information.
    - May 11, 2023: Notice of Development Application (see attached at *Tab 9*)
    - May 18, 2023: 5/1 Meeting Follow-Up with Website Resources and Invitation to 6/7 Community Neighborhood Meeting (see attached at *Tab 10*)
    - June 1, 2023: 6/7 Community Neighborhood Meeting Reminder (see attached at *Tab 11*)
- Additionally, several emails were deployed to subscribers on the www.zoningvist.com website/contact us form announcing date, location/directions and meeting format information. (approximately 473 opt-in subscribers). (see attached at *Tab 12)*
- Several social media posts were deployed through the HOA Facebook pages (The Village and Northpointe at Vistancia) (see attached at *Tab 4*)

Sign language interpreters were also a part of the June 7 neighborhood meeting presentation by the Vistancia Development team.

In addition to the two (2) major meetings, the Vistancia Development team is available for small-group meetings with resident groups that seek further clarification on the Amendment request. To date, two small-group meetings have been held:

- June 15, 2023
- June 29, 2023

Further, the Vistancia Development team has set up a major PCD amendment website, https://zoningvist.com . The Website includes:

- 'HOME' landing page with a site plan and brief Project Description (see attached at *Tab 13*)
- 'PROJECT DETAILS' landing page with site plans, and imagery presented at the May 1 and June 7 meetings, as well as copy of the 6/7 Developer Presentation (see attached at *Tab 14*)
- 'MEETINGS' landing page with Meetings / Public Hearing Information listed and updated as available (see attached at *Tab 15*)
- 'FAQS' landing page which is updated frequently as common questions from the community are identified and answered (see attached at *Tab 16*)

- 'SUPPORT' button leads to form that may be completed in support of the plan and amendment (see attached at *Tab 17*) Note: Some residents used support forms for non-support statements
- 'CONTACT US' button leads to form that may be completed to request further information or submit questions/comments (see attached at *Tab 18*)

Question cards were available to meeting attendees to submit questions at registration, during both the open house and neighborhood meeting (see attached at *Tab 19*)

- Questions submitted during the open house were answered directly via email and if a frequently asked question, were posted to the zoning website as an "FAQ"
- Questions submitted on paper during the neighborhood meeting were determined to be repetitive of questions that were addressed during the question-and-answer session
    - Questions and answers asked in writing, as well as asked at the May 1 and June 7 meetings are summarized in the Appendix (see attached at *Tab 20*)

Which residents of the City, adjacent property owners, interested parties, adjacent political jurisdictions, and public agencies within Vistancia or adjacent to the community were notified.

All Vistancia residents were notified of the May 1, 2023, general open house and the June 7, 2023, required zoning neighborhood meeting. In addition, we sent postcards to all Property owners and Homeowner Associations within 1,320 feet of the Vistancia master planned community boundary for the June 7, 2023 zoning neighborhood meeting.

How those interested in and potentially affected by an applicant will be notified that an application has been made.

In accordance with City of Peoria's ("City") zoning ordinance, we will provide notice using the following procedures which will specify (1) the date, time, and place of the neighborhood meeting/public hearing, (2) describe the Property with the street address, legal description, or general description and nearest cross streets, (3) the nature, scope, and purpose of the proposed action, (4) indicate that the interested parties may appear at the hearing/open house and speak on the matter, and (5) indicate where additional information on the matter may be obtained.

Mailed Notice

For the May 1st general open house, Vistancia residents were notified via email "blasts", sent by the Vistancia HOA's to their respective residents, on Vistancia Development's behalf. For the June 7, 2023 zoning neighborhood meeting, we mailed postcards via first class mail to all property owners within Vistancia and

within 1,320' of the Vistancia master planned community boundary. The postcard adhered to notification requirements and more than adequately notified the surrounding property owners of the proposal. The City provided notice of application via a postcard to property owners within 1,320 feet from the commercial core/Village D. See attached postcard at *Tab 21*.

For the June 7, 2023 community neighborhood meeting, the Vistancia Development team mailed a postcard to all property owners of Vistancia and within 1,320 feet of the community boundary.

Other Notice Efforts

Emails: The developer coordinated with Vistancia's community HOA's to announce the meeting location, time and format for community meetings.

May 1st Meeting Emails:

- April 26, 2023: FIVE NORTH at VISTANCIA Announcement and Invitation to 5/1/23 Community Information Meeting (see attached at *Tab 3*)

June 7th Meeting Emails:

- May 11, 2023: Notice of Development Application (see attached at *Tab 9*)
- May 18, 2023: 5/1 Meeting Follow-Up with Website Resources and Invitation to 6/7 Community Neighborhood Meeting (see attached at *Tab 10*)
- June 1, 2023: 6/7 Community Neighborhood Meeting Reminder (see attached at *Tab 11*)

Zoningvist.com Subscriber EBlasts – Approximately 473 FIVE NORTH at VISTANCIA opt-in subscribers.

- May 17,2023: Subscriber Automated Response initiated upon opting-in on visitfivenorth.com website, reminder to check back for meetings and development updates
- May 18, 2023: Thank You for Your Interest, 6/7 Community Neighborhood Meeting Details (see attached at *Tab 10*)
- June 12, 2023: Community Neighborhood Meeting Follow-Up and Presentation Posting Notification (see attached at *Tab 12*)

Social Media: The developer coordinated with Vistancia's community HOA's to post content to announce the meeting location, time and format for community meetings (see attached at *Tab 4*).

- April 26, 2023: Vistancia Community Open House Meeting Details

- May 18, 2023: Community Neighborhood Meeting Details, Vistancia Village Association and Northpointe Community HOA
- June 1, 2023: Community Neighborhood Meeting Reminder, Northpointe Community HOA

Two Signs Posted: FIVE NORTH was posted with two signs (although only **one** is required) on El Mirage Road, one at the Ridgeline Rd. alignment and one at the Westward Skies Dr. alignment (see attached) (see photos of signs and affidavit attached at *Tab 8*)

The zoningvist.com Website is updated as meeting dates are determined

Neighborhood Meeting

We held two (2) neighborhood meetings to ensure all residents of Vistancia and any surrounding property owners could participate in the finding out about the PCD amendment proposal. A summary of the key issues, discussion topics, questions and answer sessions are further outlined below. The May 1st and June 7th meetings were heavily attended indicating that our notice methods were successful.

Posted Notice

We posted two (2) signs on the Property in a prominent place, clearly visible from a major arterial street (El Mirage Road) which will remain on the Property for a period of at least 15 days prior to the neighborhood meeting. We will maintain the sign in good condition and, when hearing dates are identified but at least 15 days prior to the first public hearing, update the signs to include the date, time, and location of future Planning Commission and Council meetings. The signs will be maintained 30 days subsequent to a City Council decision.

How those interested and potentially affected parties will be informed of the substance of the change, amendment or development proposed by the application.

We will respond to all input and comments as they are received. Our responses will be provided to City Staff for their records. Our office will follow-up with interested individuals and City Staff as necessary to ensure their concerns are heard and all relevant procedures are followed. Further, we will ensure all necessary information is shared continuously regarding the status of the request. The City will be provided with copies of our correspondence, letters, and information shared with stakeholders. In addition, maps and lists of the notified stakeholders and property owners will be included in our final Citizen Participation Report.

The applicant's schedule for the completion of the citizen participation plan.

Mailed notices, published notices, and posted notices will all be completed at least 15 days prior to required neighborhood meeting and public hearings and the proper affidavits will be provided to the City. If requested, we will meet with any interested individual or stakeholder after the notification postcards/letters have been sent and the Property has been properly posted. If updates to this Citizen Participation Report are required, the Vistancia Development team will send an updated report prior to the Planning & Zoning Commission public hearing. In the updated report, we will provide City Staff with a final Citizen Participation Report that will include the details and techniques used to involve the public and provide a summary of concerns, issues, and resolutions to these issues. Our public outreach will be continuous and will occur throughout the rezoning process.

How the applicant will keep the Planning Department informed on the status of their citizen participation efforts.

We will provide the Planning Department with required affidavits and proof regarding the procedures and timing for mailing and notice. We will also provide a summary of the contents of the neighborhood meeting.

The final Citizen Participation Report will be completed prior to the Planning Commission hearing date and will include the following:

(i) Dates and locations of all meetings where citizens were invited to discuss the applicant's proposal;
(ii) Content, dates mailed, and numbers of mailings including letters, meeting notices, newsletters and other publications;
(iii) Where residents, property owners, and interested parties receiving notices, newsletters or other written material are located; and
(iv) The number of people that participated in the process
(v) A summary of concerns, issues and problems expressed during the process

We will update the Planning Department via email of all important issues that may arise during our public outreach. If additional public outreach occurs after the submittal of the final Citizen Participation Report, we will provide updates to inform the Planning Department, Planning Commission and City Council.

Citizen Participation Report

(i) Dates and locations of all meetings where citizens were invited to discuss the applicant's proposal;

Monday, May 1, 2023 at 6:00 pm at the Vistancia Mountain Vista Club gymnasium, 29701 N. Sunrise Point, Peoria, AZ 85383

Wednesday June 7, 2023 at 6:00 pm at the Vistancia Mountain Vista Club gymnasium, 29701 N. Sunrise Point, Peoria, AZ 85383

(ii) Content, dates mailed, and numbers of mailings including letters, meeting notices, newsletters and other publications;

Notification postcards were mailed to all property owners within 1,320' of the commercial core/Village D and all property owners within Vistancia. In addition, for the June 7 required open house for the major PCD amendment, we notified all property owners within 1,320 feet of the Vistancia master planned community boundary. The postcard, mailing addresses and map of properties is attached hereto as ***Tab 22***.

The commercial core/Village D was also posted with two (2) signs along El Mirage Road. See attached ***Tab 8*** for the site posting maps, sign photos and affidavit.

(iii) The number of people that participated in the process;

700+ residents, property owners and stakeholders participated collectively in the two (2) neighborhood meetings on Monday May 1st and Wednesday, June 7, 2023 at Vistancia Mountain Vista Club gymnasium, 29701 N. Sunrise Point within the Vistancia community.

(iv) A summary of concerns, issues and problems expressed during the process, including:

a. The main concerns, issues and problems expressed by residents during the open house and neighborhood meeting are as follows:
    i. Where are the additional 1,500 residential units to be located?
        1. Will these units be 'apartments', or other type of residential units?
        2. Will these units be for rent or for sale?
        3. Will there be Section 8 housing units?
    ii. How tall will the buildings be in FIVE NORTH?
    iii. What is the status of the PUSD High School / Where will the students generated in these residential units go to school?
    iv. How will the additional traffic be addressed?
    v. Perception that the units will bring 'crime' to Vistancia.

vi. Will there be enough water to support these additional units?
vii. The misperception that the two future potential golf courses to be removed from the plan, were to be located in FIVE NORTH and that the golf courses are being replaced with residential units.
viii. What will be developed within FIVE NORTH if the request for additional residential units is not approved.

FIVE NORTH at VISTANCIA, New Dynamic West Valley 320-Acre Commercial and Retail Destination, Takes Shape

Peoria (April 27, 2023) – The Vistancia master-planned community's 320-acre commercial and retail destination FIVE NORTH at VISTANCIA is taking shape as the first hot spot in the far North Peoria/West Valley area.

Envisioned as the energetic heartbeat and high-quality lifestyle hub of the award-winning Vistancia community, FIVE NORTH at VISTANCIA's plan includes a mix of unique, eclectic and creatively infused experiences to eat, work, live, and connect. The name FIVE NORTH at VISTANCIA was chosen to reflect its position as the fifth lifestyle community within Vistancia and its strategic vision to be a dynamic and vibrant destination that offers a walkable and open connection to cool experiences, including "best in class" and "first to market" lifestyle and living options in North Peoria.

Construction of the initial phases is anticipated to begin in early 2024. The initial phases are planned to include a main street restaurant/retail corridor, hospitality, office, healthcare, education, an employment core, and an additional 1,500 luxury mid-to high-density residential units that will reflect the same high-quality and desert-inspired design elements recognized in Vistancia. In addition, an extension of Vistancia's signature Discovery Trail is planned, offering a linear park connection through the entire property.

"Over the past 20 years, the community of Vistancia has been thoughtfully developed to bring the highest quality to all our residents. FIVE NORTH at VISTANCIA represents the final crown jewel of the community and will be developed with the same precision and attention to detail offered over that past two decades. We believe FIVE NORTH at VISTANCIA will become a true destination while offering our residents unparalleled retail, dining, employment and recreation opportunities," said Mark Hammons, general manager of Vistancia.

FIVE NORTH at VISTANCIA is the fifth and final lifestyle community in the 7,100-acre master-planned community, which opened in 2004 and now has four communities – The Village at Vistancia, Blackstone at Vistancia, Trilogy at Vistancia and Northpointe at Vistancia. Vistancia offers its approximately 18,000 residents a healthy lifestyle with the 3.5 mile-Discovery Trail, two high-performing K-8 schools in the Peoria Unified School District, two golf courses including the daily fee Trilogy Golf Club and award-

winning private Blackstone Country Club, and easy access to recreational destinations including the City of Peoria's Paloma Community Park (10 minutes), Lake Pleasant Regional Park (15 minutes) and Peoria Sports Complex (20 minutes).

FIVE NORTH at VISTANCIA is located at Loop 303/Bob Stump Memorial Parkway at Lone Mountain Parkway (exit 127). The site is approximately 10 minutes from the Taiwan Semiconductor Manufacturing Co. (TSMC) in North Phoenix.

The area is prime for workforce development with 462,500 workers within a 30-minute drive time, according to the City of Peoria Economic Development's office. Peoria has received significant interest in employment opportunities in FIVE NORTH at VISTANCIA's commercial core and the region is expected to experience major employment growth within 5-10 years.

"The City of Peoria has had a long-term partnership with Vistancia and have been working together since its inception to position the commercial core for success. The high-quality tenants and jobs that will be launched at FIVE NORTH at VISTANCIA will make our community an even more desirable place to live," said Peoria Mayor Jason Beck. "We envision the development attracting other businesses and helping meet the needs of the expected residential growth in the northern part of the city. Further, FIVE NORTH at VISTANCIA's commercial core will contribute to an increase in local tax dollars, which will enable the city to expand fire and police services in North Peoria."

The West Valley is home to 1.7 million residents and in the last 10-12 years its buying power, education levels, workforce availability and jobs has continued to increase, according to WESTMARC (the Western Maricopa Coalition).

"FIVE NORTH at VISTANCIA will continue to enhance the local flavors of community life available in the West Valley and draw more people here to spend money and call this vibrant and diverse area their home. West Valley residents are used to driving 30 minutes or more for great experiences and restaurants. FIVE NORTH at VISTANCIA will greatly shorten the drive to 'cool,'" said Sintra Hoffman, president and CEO of WESTMARC. "We expect FIVE NORTH at VISTANCIA to be a regional economic and lifestyle hub that adds to the incredible quality of life the West Valley offers."

Vistancia also will be receiving additional community services at Vistancia Point. Barclay Group recently announced plans to develop a Fry's Marketplace and a gas station on approximately 19 acres at the corner of El Mirage Road and Lone Mountain Parkway.

"FIVE NORTH at VISTANCIA completes the vision for the meticulously planned Vistancia community, which offers a lifestyle like no other in the West Valley," said Richard Whitely, co-president and chief operating officer at IHP Capital Partners. "FIVE NORTH at VISTANCIA brings a wealth of beautiful and thoughtful amenities designed to serve and connect the community's residents with a variety of services and entertainment options that will enhance their living experience. With this vibrant commercial core underway, Vistancia is drawing more interest from our homebuilder partners who are eager to be a part of Vistancia."

California-based IHP Capital Partners and Minneapolis-based Värde Partners own Vistancia in a joint venture.

About Vistancia
The award-winning Vistancia community is located in Peoria and set amongst a stunning backdrop of Sonoran Desert mountain ranges featuring dramatic views of White Peak and Twin Buttes mountains, four lifestyle residential communities, a 3.5 mile Discovery Trail, private community recreation centers with resort-style pools, two K-8 schools, parks, and two golf courses including the private Blackstone Country Club and daily fee Trilogy Golf Club. There are now three entrances into the Vistancia community. Take Loop 303 to Lone Mountain Parkway (exit 127), Jomax Road (exit 126) or Vistancia Boulevard (exit 125) . For more information about Vistancia visit www.vistancia.com.

About IHP Capital Partners
IHP Capital Partners was founded in 1992 and celebrates three decades of industry leadership as one of the nation's leading real estate investment firms. The company facilitates a path to success for its investor and development partners by providing equity for residential projects throughout the country, with a focus on the western U.S. A tactical partner and trusted fiduciary, IHP's track record is built on experience, expertise and long-term sustained partnerships with well-known institutional investors and a wide range of the industry's most notable builders and developers. For more information, visit www.IHPInc.com. Follow the company on LinkedIn.

About Värde Partners
Värde Partners is a leading global alternative investment firm with roots in credit and distressed. Founded in 1993, the firm has invested $80 billion since inception and manages $15 billion on behalf of a global investor base. The firm's investments span corporate and traded credit, real estate and mortgages, private equity and direct lending. Värde employs more than 300 professionals worldwide with offices in Minneapolis, New York, London, Singapore and other cities in Asia and Europe. For more information, please visit www.varde.com.

About Land Resources
Established in 2014, Land Resources is a full-service real estate development and management firm, specializing in creating strategic vision and maximizing value for real estate assets. The firm is comprised of a tenured team of real estate experts who have successfully developed and managed over 30,000-acres of land throughout the southwestern U.S. Land Resources provides expertise at all stages of land acquisition, development and sales for master planned residential, retail, mixed use commercial and light industrial properties. The Land Resources team is best known for their deep industry relationships, creativity and collaborative approach to partnerships, and has been instrumental in the vision, development and management of the award-winning master planned community of Vistancia in Arizona since 2004. For more information, visit landresourcesinc.com.

SUBMITTED RENDERINGS

Vistancia has announced that groundbreaking on its fifth and final community is expected to begin next year.

Posted Tuesday, May 2, 2023 3:03 pm

By Philip Haldiman (/browse.html?byline=Philip%20Haldiman)
Mail (mailto:phaldiman@iniusa.org) | Twitter: @PhilipHaldiman (https://twitter.com/PhilipHaldiman)

Groundbreaking on the fifth and final neighborhood in the Vistancia community — which includes the commercial core — is planned for early next year.

Land owners and development partners have been working on about 320 acres of the core near Loop 303 and Lone Mountain Parkway, finalizing plans for the initial phase of development, property marketing and leasing, as well as the overall branding character.

The initial phases are planned to include a main street restaurant/retail corridor, hospitality, office, healthcare, education, an employment core, and an additional 1,500 luxury mid-to high-density residential units.

In addition, an extension of Vistancia's Discovery Trail is planned, offering a linear park connection through the entire property.

Officials said they aren't ready to announce any commercial tenants yet.

Vistancia General Manager Mark Hammons said that over the past 20 years, the community of Vistancia has been thoughtfully developed to bring the highest quality for residents.

"Five North at Vistancia represents the final crown jewel of the community and will be developed with the same precision and attention to detail offered over that past two decades," he stated in a news release. "We believe Five North at Vistancia will become a true destination while offering our residents unparalleled retail, dining, employment and recreation opportunities."

Five North, named for its standing as the fifth community, is the final sub-development in the 7,100-acre master-planned development, which opened in 2004 and now boasts about 18,000 residents. Other communities are: The Village at Vistancia, Blackstone at Vistancia, Trilogy at Vistancia and Northpointe at Vistancia.

Amenities include the 3.5 mile-Discovery Trail, two K-8 schools in the Peoria Unified School District, two golf courses including the daily fee Trilogy Golf Club and award-winning private Blackstone Country Club.

Peoria Mayor Jason Beck said the city has had a long-term partnership with Vistancia and have been working together since its inception to position the commercial core for success.

"The high-quality tenants and jobs that will be launched at Five North at Vistancia will make our community an even more desirable place to live," he said in a news release. "We envision the development attracting other businesses and helping meet the needs of the expected residential growth in the northern part of the city. Further, Five North at Vistancia's commercial core will contribute to an increase in local tax dollars, which will enable the city to expand fire and police services in north Peoria."

Additionally, Barclay Group has made progress with plans to develop a Fry's Marketplace and a gas station on about19 acres at the corner of El Mirage Road and Lone Mountain Parkway.

The project is within site plan review and contingent upon the final disposition of the Fry's gas station conditional use permit component. Construction documents can begin once the site plan is finalized.

Five North Vistancia is the fifth and last lifestyle community with 320 acres of commercial development planned in north Peoria.

By: Audrey Jensen, Phoenix Business Journal

Posted at 10:30 AM, Apr 28, 2023 and last updated 10:30 AM, Apr 28, 2023

One of the final pieces of a major community in Peoria is slated to start construction next year and will feature a new commercial core across 320 acres.

The site is being branded as Five North at Vistancia, a high-quality lifestyle hub featuring a main street restaurant and retail corridor with open space for pedestrian walkability and connectivity.

AD

It could also see new hotels, office, health care, education and light industrial space located between the Loop 303 and El Mirage Road just north of Vistancia Boulevard, all of which could help the northwest Valley city compete for new employers and jobs in Peoria.

Five North, the fifth and last community to be developed in the 7,100-acre master-planned Vistancia, will also feature nearly 2,000 units across a variety of high-end apartment styles and densities and will include an extension of Discovery Trail, which spans across Vistancia, into the property.

CLOSE

ADVERTISEMENT

The first phase of Five North will focus on a portion of the retail and be developed by a joint venture, while much of the 320 acres

will be sold off to other developers for the remaining mix of uses.

PLANNING & DEVELOPMENT

Retail and Commercial Destination FIVE NORTH at VISTANCIA Takes Shape

By **BEX Staff** — April 28, 2023 No Comments 3 Mins Read

Credit: Nelsen Partners

The **Vistancia** master-planned community's 320-acre commercial and retail destination **FIVE NORTH at VISTANCIA** is taking shape as the first hot spot in the

far North Peoria/West Valley area.

Construction of the initial phases is anticipated to begin in early 2024. The initial phases are planned to include a main street restaurant/retail corridor, hospitality, office, healthcare, education, an employment core, and an additional 1,500 luxury mid-to high-density residential units that will reflect the same high-quality and desert-inspired design elements recognized in Vistancia. In addition, an extension of Vistancia's signature Discovery Trail is planned, offering a linear park connection through the entire property.

FIVE NORTH at VISTANCIA is the fifth and final lifestyle community in the 7,100-acre master-planned community, which opened in 2004 and now has four communities – **The Village at Vistancia**, **Blackstone at Vistancia**, **Trilogy at Vistancia** and **Northpointe at Vistancia**. Vistancia offers its approximately 18,000 residents a healthy lifestyle with the 3.5 mile-Discovery Trail, two high-performing K-8 schools in the Peoria Unified School District, two golf courses including the daily fee Trilogy Golf Club and award-winning private Blackstone Country Club, and easy access to recreational destinations including the City of Peoria's Paloma Community Park (10 minutes), Lake Pleasant Regional Park (15 minutes) and Peoria Sports Complex (20 minutes).

FIVE NORTH at VISTANCIA is located at Loop 303/Bob Stump Memorial Parkway at Lone Mountain Parkway (exit 127). The site is approximately 10 minutes from the **Taiwan Semiconductor Manufacturing Co. (TSMC)** in North Phoenix.

The area is prime for workforce development with 462,500 workers within a 30-minute drive time, according to the City of Peoria Economic Development's office. Peoria has received significant interest in employment opportunities in FIVE NORTH at VISTANCIA's commercial core and the region is expected to experience major employment growth within 5-10 years.

Envisioned as the energetic heartbeat and high-quality lifestyle hub of the award-winning Vistancia community, FIVE NORTH at VISTANCIA's plan includes a mix of unique, eclectic and creatively infused experiences to eat, work, live, and connect. The name FIVE NORTH at VISTANCIA was chosen to reflect its position as the fifth lifestyle community within Vistancia and its strategic vision to be a dynamic and vibrant destination that offers a walkable and open connection to cool experiences, including "best in class" and "first to market" lifestyle and living options in North Peoria.

Vistancia also will be receiving additional community services at **Vistancia Point**. **Barclay Group** recently announced plans to develop a Fry's Marketplace and a gas station on approximately 19 acres at the corner of El Mirage Road and Lone Mountain Parkway.

California-based **IHP Capital Partners** and Minneapolis-based **Värde Partners** own Vistancia in a joint venture.

Massive community going commercial with a 'main street'

Courtesy of Nelsen Partners

By Corina Vanek | Arizona Republic

The north Peoria mega-development of Vistancia has turned empty desert into a resort-like village over the past 20 years, mostly with thousands of single-family homes. But it will soon get something more: a traditional main street.

It's the final piece of the Vistancia master-planned community, with construction starting next year. When complete, the commercial core will have restaurants and shops, a hotel, office buildings and about 1,500 luxury apartment units.

The 7,100-acre Vistancia community is divided into five "lifestyle communities," four of which are resort-style single-family home neighborhoods with high-end amenities like golf courses, community pools, walking trail, parks and recreation facilities.

The commercial core, called Five North, is the last at the community, located near Loop 303 and Lone Mountain Parkway.

FIVE NORTH at VISTANCIA, New Dynamic West Valley 320-Acre Commercial and Retail Destination, Takes Shape

|

Peoria (April 28, 2023) – The Vistancia master-planned community's 320-acre commercial and retail destination FIVE NORTH at VISTANCIA is taking shape as the first hot spot in the far North Peoria/West Valley area.

Envisioned as the energetic heartbeat and high-quality lifestyle hub of the award-winning Vistancia community, FIVE NORTH at VISTANCIA's plan includes a mix of unique, eclectic and creatively infused experiences to eat, work, live, and connect. The name FIVE NORTH at VISTANCIA was chosen to reflect its position as the fifth lifestyle community within Vistancia and its strategic vision to be a dynamic and vibrant destination that offers a walkable and open connection to cool experiences, including "best in class" and "first to market" lifestyle and living options in North Peoria.

Construction of the initial phases is anticipated to begin in early 2024. The initial phases are planned to include a main street restaurant/retail corridor, hospitality, office, healthcare, education, an employment core, and an additional 1,500 luxury mid- to high-density residential units that will reflect the same high-quality and desert-inspired design elements recognized in Vistancia. In addition, an extension of Vistancia's signature Discovery Trail is planned, offering a linear park connection through the entire property.

> *"Over the past 20 years, the community of Vistancia has been thoughtfully developed to bring the highest quality to all our residents. FIVE NORTH at VISTANCIA represents the final crown jewel of the community and will be developed with the same precision and attention to detail offered over that past two decades. We believe FIVE NORTH at VISTANCIA will become a true destination while offering our residents unparalleled retail, dining, employment and recreation opportunities," said Mark Hammons, general manager of Vistancia.*

Image Credit: Nelsen Partners

FIVE NORTH at VISTANCIA is the fifth and final lifestyle community in the 7,100-acre master-planned community, which opened in 2004 and now has four communities – The Village at Vistancia, Blackstone at Vistancia, Trilogy at Vistancia and Northpointe at Vistancia. Vistancia offers its approximately 18,000 residents a healthy lifestyle with the 3.5 mile-Discovery Trail, two high-performing K-8 schools in the Peoria Unified School District, two golf courses including the daily fee Trilogy Golf Club and award-winning private Blackstone Country Club, and easy access to recreational destinations including the City of Peoria's Paloma Community Park (10 minutes), Lake Pleasant Regional Park (15 minutes) and Peoria Sports Complex (20 minutes).

FIVE NORTH at VISTANCIA is located at Loop 303/Bob Stump Memorial Parkway at Lone Mountain Parkway (exit 127). The site is approximately 10 minutes from the Taiwan Semiconductor Manufacturing Co. (TSMC) in North Phoenix.

The area is prime for workforce development with 462,500 workers within a 30-minute drive time, according to the City of Peoria Economic Development's office. Peoria has received significant interest in employment opportunities in FIVE NORTH at VISTANCIA's commercial core and the region is expected to experience major employment growth within 5-10 years.

> *"The City of Peoria has had a long-term partnership with Vistancia and have been working together since its inception to position the commercial core for success. The high-quality tenants and jobs that will be launched at FIVE NORTH at VISTANCIA will make our community an even more desirable place to live," said Peoria Mayor Jason Beck. "We envision the development attracting other businesses and helping meet the needs of the expected residential growth in the northern part of the city. Further, FIVE NORTH at VISTANCIA's commercial core will contribute to an increase in local tax dollars, which will enable the city to expand fire and police services in North Peoria."*

The West Valley is home to 1.7 million residents and in the last 10-12 years its buying power, education levels, workforce availability and jobs has continued to increase, according to WESTMARC (the Western Maricopa Coalition).

> *"FIVE NORTH at VISTANCIA will continue to enhance the local flavors of community life available in the West Valley and draw more people here to spend money and call this vibrant and diverse area their home. West Valley residents are used to driving 30 minutes or more for great experiences and restaurants. FIVE NORTH at VISTANCIA will greatly shorten the drive to 'cool,'" said Sintra Hoffman, president and CEO of WESTMARC. "We expect FIVE NORTH at VISTANCIA to be a regional economic and lifestyle hub that adds to the incredible quality of life the West Valley offers."*

Vistancia also will be receiving additional community services at Vistancia Point. Barclay Group recently announced plans to develop a Fry's Marketplace and a gas station on approximately 19 acres at the corner of El Mirage Road and Lone Mountain Parkway.

"FIVE NORTH at VISTANCIA completes the vision for the meticulously planned Vistancia community, which offers a lifestyle like no other in the West Valley," said Richard Whitely, co-president and chief operating officer at IHP Capital Partners. "FIVE NORTH at VISTANCIA brings a wealth of beautiful and thoughtful amenities designed to serve and connect the community's residents with a variety of services and entertainment options that will enhance their living experience. With this vibrant commercial core underway, Vistancia is drawing more interest from our homebuilder partners who are eager to be a part of Vistancia."

California-based IHP Capital Partners and Minneapolis-based Värde Partners own Vistancia in a joint venture.

Main street with retail, office, commercial planned as last piece in Peoria community

Apr 27, 2023, 2:16pm MST

Nelsen Partners

Five North Vistancia is the fifth and last lifestyle community with 320 acres of commercial development planned in north Peoria.

One of the final pieces of a major community in Peoria is slated to start construction next year and will feature a new commercial core across 320 acres.

The site is being branded as Five North at Vistancia, a high-quality lifestyle hub featuring a main street restaurant and retail corridor with open space for pedestrian walkability and connectivity.

It could also see new hotels, office, health care, education and light industrial space located between the Loop 303 and El Mirage Road just north of Vistancia Boulevard, all of which could help the northwest Valley city compete for new employers and jobs in Peoria.

Five North, the fifth and last community to be developed in the 7,100-acre master-planned Vistancia, will also feature nearly 2,000 units across a variety of high-end apartment styles and densities and will include an extension of Discovery Trail, which spans across Vistancia, into the property.

The first phase of Five North will focus on a portion of the retail and be developed by a joint venture, while much of the 320 acres will be sold off to other developers for the remaining mix of uses.

Looking for chef-driven restaurants

Mark Hammons, principal at Land Resources Inc. and general manager of Vistancia, said their team will focus on bringing chef-driven restaurants that have historically gone to other Valley cities and create a fun environment with outdoor dining, concerts in the park and more.

"We're truly looking to get the best in class, first-to-market," Hammons told the Business Journal. "We've been spending a lot of time with restaurateurs in central Phoenix, Scottsdale and Gilbert."

Early phases will break ground in Q1 2024 and are expected to open by 2025. Hammons said the initial infrastructure work will represent a $30 million investment but the overall value of Five North will be determined on what projects are built there.

Five North could also generate thousands of new jobs and attract industrial employers such as research and development and semiconductor suppliers to support the $40 billion Taiwan Semiconductor Manufacturing Co. factories located 10 minutes from the property.

"The high-quality tenants and jobs that will be launched at Five North at Vistancia will make our community an even more desirable place to live," said Peoria Mayor Jason Beck in a statement. "We envision the development attracting other businesses and helping meet the needs of the expected residential growth in the northern part of the city."

Vistancia has partnered with the city of Peoria and real estate firms Western Retail Advisors and Colliers International to market the new commercial opportunities. Retail development has significantly picked up across the West Valley with several major shopping centers underway.

The architect for the first phase of retail on site is Texas-based Nelsen Partners, which has worked on other prominent Valley retail developments including Kierland Commons, Scottsdale Quarter, the Arizona Biltmore and Goodyear's new downtown. A general contractor has not been selected yet.

TSMC provides motivation

Hammons said they had always planned to turn this site into a mixed-use development but are moving forward now because of the growth in the

area, which has limited amounts of private land along the Loop 303 from Interstate 17 to U.S. Highway 60.

"When TSMC came in that really motivated us at the time to focus on this, knowing that the time was now to get that commercial core area branded and replanned," he said. "Once we get the dominos falling with opening and some things happening here, we truly believe there will be a lot of interest and this will be a very successful community."

Developers are also in the process of building out Vistancia's fourth community called Northpointe, which will eventually include 3,250 single-family homes. Hammons said they have about 2,000 acres left to develop in Northpointe that could be built out over the next five to 10 years.

Vistancia currently has more than 8,000 homes with a population of about 17,000 people. It first opened in 2004 and contains four communities including Northpointe, Village at Vistancia, Blackstone at Vistancia, and Trilogy at Vistancia.

Newport Beach, California-based IHP Capital Partners and Minneapolis-based Varde Partners acquired Vistancia in 2021.

Commercial and residential growth in the north part of the Valley has been kicked into high gear in the past few years following TSMC's announcement to build a semiconductor complex in north Phoenix. Hundreds of new Taiwanese employees have also moved to the area to help set up TSMC's Arizona operations, resulting in an effort to add more housing and amenities nearby.

"We envision the development attracting other businesses and helping meet the needs of the expected residential growth in the northern part of the city. Further, FIVE NORTH at VISTANCIA's commercial core will contribute to an increase in local tax dollars, which will enable the city to expand fire and police services in North Peoria."

The West Valley is home to 1.7 million residents and in the last 10-12 years its buying power, education levels, workforce availability and jobs has continued to increase, according to WESTMARC (the Western Maricopa Coalition).

"FIVE NORTH at VISTANCIA will continue to enhance the local flavors of community life available in the West Valley and draw more people here to spend money and call this vibrant and diverse area their home. West Valley residents are used to driving 30 minutes or more for great experiences and restaurants. FIVE NORTH at VISTANCIA will greatly shorten the drive to 'cool,'" said Sintra Hoffman, president and CEO of WESTMARC. "We expect FIVE NORTH at VISTANCIA to be a regional economic and lifestyle hub that adds to the incredible quality of life the West Valley offers."

Vistancia also will be receiving additional community services at Vistancia Point. Barclay Group recently announced plans to develop a Fry's Marketplace and a gas station on approximately 19 acres at the corner of El Mirage Road and Lone Mountain Parkway.

"FIVE NORTH at VISTANCIA completes the vision for the meticulously planned Vistancia community, which offers a lifestyle like no other in the West Valley," said Richard Whitely, co-president and chief operating officer at IHP Capital Partners. "FIVE NORTH at VISTANCIA brings a wealth of beautiful and thoughtful amenities designed to serve and connect the community's residents with a variety of services and entertainment options that will enhance their living experience. With this vibrant commercial core underway, Vistancia is drawing more interest from our homebuilder partners who are eager to be a part of Vistancia."

Work to start next year on final piece of Peoria's Vistancia community

Apr 27, 2023, 2:00 PM

BY KEVIN STONE
KTAR.com

Share

(Vistancia Rendering)

PHOENIX – Construction on the fifth and final neighborhood in the Vistancia community in north Peoria is set begin next year.

Five North at Vistancia will cover 320 acres near Loop 303 and Lone Mountain Parkway and serve as the 7,100-acre master-planned community's commercial core.

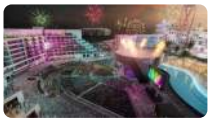

"Five North at Vistancia represents the final crown jewel of the community and will be developed with the same precision and attention to detail offered over that past two decades,"

Mark Hammons, Vistancia general manager, said in a press release Friday.

“We believe Five North at Vistancia will become a true destination while offering our residents unparalleled retail, dining, employment and recreation opportunities.”

The first phases of the new neighborhood will include a restaurant/retail corridor, office space, an employment core and 1,500 luxury mid-to high-density residential units.

RELATED STORIES

Here's what we know about Glendale's blockbuster VAI Resort project

Work starts on massive LogistiCenter at Copperwing business park in El Mirage

TSMC seeking up to $15 billion from federal government for Arizona chip plants

It will also have an extension of the Discovery Trail that snakes through the Vistancia development, which opened in 2004.

About 18,000 people live in the community’s four existing neighborhoods: Village at Vistancia, Blackstone at Vistancia, Trilogy at Vistancia and Northpointe at Vistancia.

Peoria Mayor Jason Beck said the fifth section will increase local tax dollars, allowing the city to expand fire and police services in the area.
“The high-quality tenants and jobs that will be launched at Five North at Vistancia will make our community an even more desirable place to live,” Beck said in the release.

“We envision the development attracting other businesses and helping meet the needs of the expected residential growth in the northern part of the city.”

A massive community in the Phoenix area is about to get a 'main street' after 20 years

Corina Vanek
Arizona Republic

Published 6:00 a.m. MT April 27, 2023

The north Peoria mega-development of Vistancia has turned empty desert into a resort-like village over the past 20 years, mostly with thousands of single-family homes. But it will soon get something more: a traditional main street.

It's the final piece of the Vistancia master-planned community, with construction starting next year. When complete, the commercial core will have restaurants and shops, a hotel, office buildings and about 1,500 luxury apartment units.

The 7,100-acre Vistancia community is divided into five “lifestyle communities,” four of which are resort-style single-family home neighborhoods with high-end amenities like golf courses, community pools, walking trail, parks and recreation facilities.

The commercial core, called Five North, is the last at the community, located near Loop 303 and Lone Mountain Parkway.

“This fifth and final lifestyle community has had to wait a long time,” Mark Hammons, general manager of Vistancia, said. “It was always planned for it, and we were fortunate that we were able to not do anything to disrupt the overall vision.”

Most of the development in Vistancia so far is heavily skewed toward single-family homes. Over 8,000 houses have already sold in Vistancia, and sales have started in the second phase of the Northpointe community — the northernmost and most mountainous piece of the development — with about 469 lots available.

Vistancia has some neighborhood service-scale commercial development, including a shopping center anchored by a Safeway. Barclay Group will also develop a Fry's Marketplace-anchored center at El Mirage Road and Lone Mountain Parkway.

Five North will be the most significant commercial development in Vistancia and the surrounding area of north Peoria, totaling about 4 million square feet of buildings.

'Maybe prices will come back to reality' Here's how inflation is hitting one metro Phoenix city

Vistancia's ownership and development team did a study on what was needed and desired in the area, including a survey of residents who live there.

"This creates the balance of the community," Hammons said. "We were missing the opportunity to allow residents to have some of the great restaurants, and it diversifies the housing stock."

Dining options in demand in West Valley

West Valley residents have longed for some of the high-end restaurants that exist in some of the other areas of the Valley, like Scottsdale or the Arcadia neighborhood of Phoenix. The new offerings in the commercial core will give residents more dining options closer to home, both for those who live in Vistancia and the public. No restaurant brands are yet announced, but Hammons said they will name specific restaurants soon.

"The demand is here, but we needed the critical mass," Hammons said. Outside of the Vistancia projects, the surrounding area could support the development of 15,000 to 20,000 single-family homes, according to Hammons and land use plans for the area.

"The way the northwest part of Peoria is growing, it's growing all around Vistancia," he said.

The zoning on the site was approved with the master plan about 20 years ago, Hammons said, so the new projects will avoid that process. Water and other utility infrastructure on the site were also built in the early stages of development in Vistancia.

First phase to include apartments, restaurants

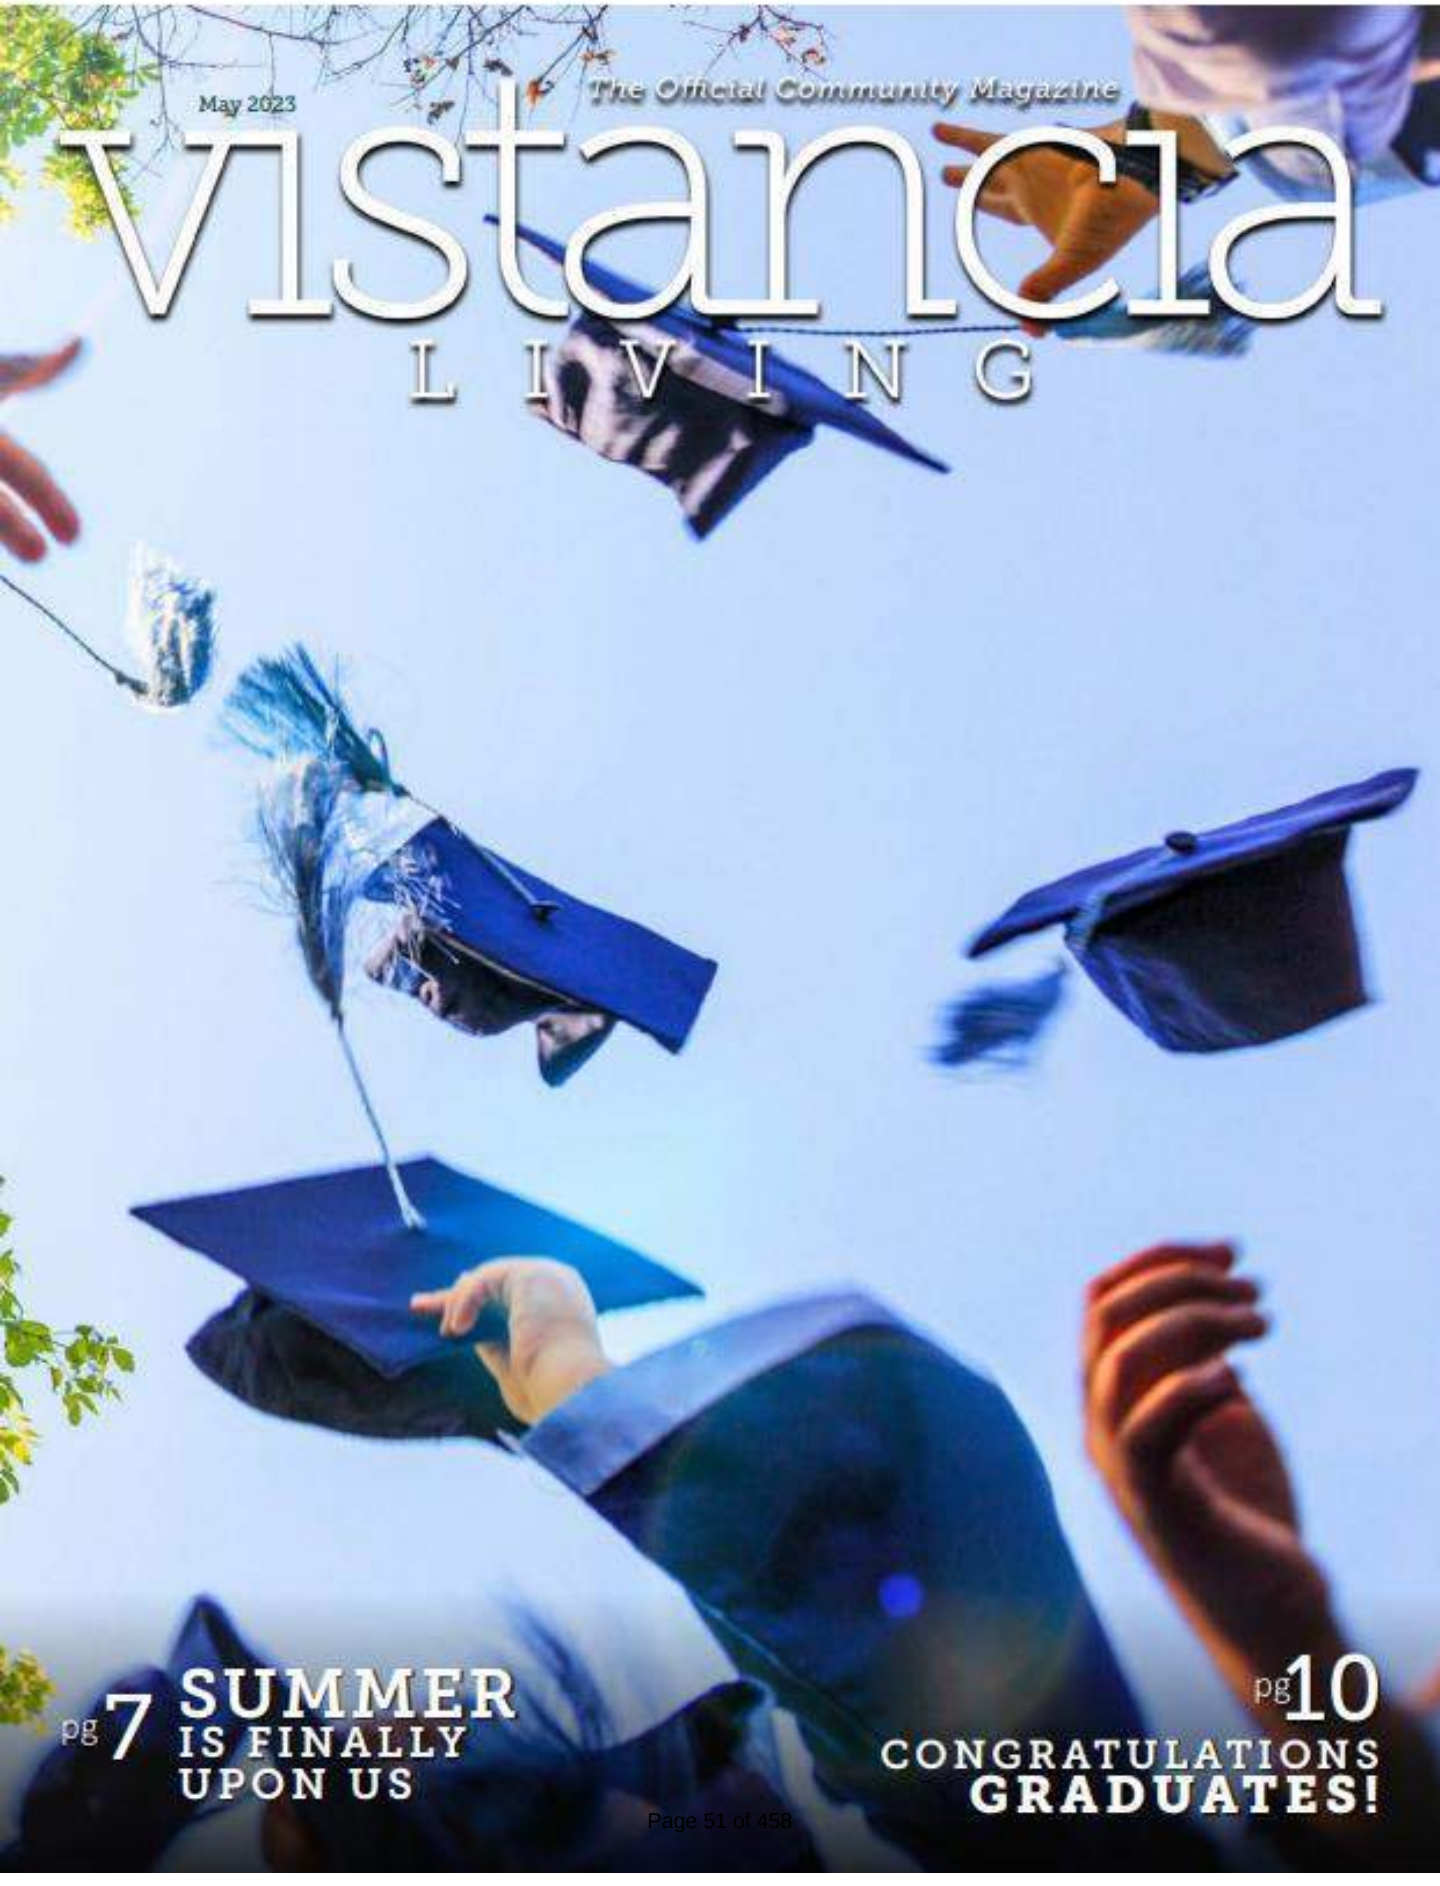

The development will go up in phases, starting with the street dividing the restaurant and retail "main street" from the remainder of the site. Some of the restaurants, along with apartment buildings, should start construction first. Vistancia Development LLC, the master developer of Vistancia, will create a joint venture with a developer on the first phase of the retail portion, but will sell most of the remaining pieces for development.

Scammers: People posing as Maricopa County Superior Court ask Phoenix-area residents to pay for warrant

Medium and high-density luxury apartments will go on the western side of the 320-acre site, creating a "density transition" that will move from residential uses to employment uses like office buildings on the eastern portion.

Hammons said companies and office brokers have already asked about locations in the office portion. Vistancia is about 10 miles from where Taiwan Semiconductor Manufacturing Co. is building its $40 billion fabrication facility, and many of the companies asking about Five North are semiconductor industry suppliers, he said.

LIVING
pg 7 SUMMER IS FINALLY UPON US
pg 10 CONGRATULATIONS GRADUATES!

As a valued member of the Vistancia master planned community, we are excited to share progress for the 320-acre mixed-use development located along El Mirage Road, just south of Lone Mountain Parkway behind the existing Vistancia Marketplace Safeway retail center. After several years of planning, research, and the important resident feedback gained from a 2021 survey, we are ready to announce the overall vision and character of the property, and plans for the initial phases of development.

Also known as the Vistancia Commercial Core, the development area has been named FIVE NORTH at VISTANCIA. The name was chosen to reflect its position as the fifth lifestyle community within Vistancia's family of communities (The Village at Vistancia, Blackstone at Vistancia, Trilogy at Vistancia, and Northpointe at Vistancia). This final jewel of the Vistancia community is part of the strategic vision to be a dynamic hot spot in the far North Peoria/West Valley area and vibrant destination that offers a walkable and open connection to cool experiences, including "best in class" and "first to market" entertainment opportunities and living in North Peoria.

Envisioned as the energetic heartbeat and high-quality lifestyle hub of our award-winning Vistancia community, FIVE NORTH at VISTANCIA's plan includes a mix of unique, eclectic and creatively infused experiences to eat, work, live, and connect. Construction is anticipated to begin in early 2024. The initial phases are anticipated to include a main street restaurant/retail corridor, and opportunities for hospitality, office, healthcare, education, an employment core, and an additional 1,500 luxury mid- to high-density residential units that will reflect the same high-quality and desert-inspired design elements recognized in Vistancia. In addition, an extension of Vistancia's signature Discovery Trail is planned, offering a linear park connection through the entire property.

FIVE NORTH at VISTANCIA is separate from additional community services coming to Vistancia Point, where Barclay Group recently announced plans to develop a Fry's Marketplace and a gas station on approximately 19 acres at the corner of El Mirage Road and Lone Mountain Parkway.

Over the past 20 years, the community of Vistancia has been thoughtfully developed to bring the highest quality to all our residents. FIVE NORTH at VISTANCIA will be developed with the same precision and attention to detail offered over that past two decades. We believe FIVE NORTH at VISTANCIA will become a true destination while offering our residents unparalleled retail, dining, employment and recreation opportunities.

Equally exciting, FIVE NORTH at VISTANCIA's commercial core will contribute to an increase in local tax dollars, which will enable the city to expand fire and police services in North Peoria.

Vistancia Mixed-Use Development Update

Greetings Vistancia Residents,

As a valued member of the Vistancia master-planned community, we are reaching out to you first to share exciting progress for the 320-acre mixed-use development located along El Mirage Road, just south of Lone Mountain Parkway behind the existing Vistancia Marketplace Safeway retail center. After several years of planning, research, and the important resident feedback gained from a 2021 survey, we are ready to announce the overall vision and character of the property and plans for the initial phases of development.

Also known as the Vistancia Commercial Core, the development area has been named FIVE NORTH at VISTANCIA. The name was chosen to reflect its position as the fifth lifestyle community within Vistancia's family of communities (The Village at Vistancia, Blackstone at Vistancia, Trilogy at Vistancia, and Northpointe at Vistancia). This final jewel of the Vistancia community is part of the strategic vision to be a dynamic hot spot in the far North Peoria/West Valley area and a vibrant destination that offers a walkable and open connection to cool experiences, including "best in class" and "first to market" entertainment opportunities and living in North Peoria.

Envisioned as the energetic heartbeat and high-quality lifestyle hub of our award-winning Vistancia community, FIVE NORTH at VISTANCIA's plan includes a mix of unique, eclectic, and creatively infused experiences to eat, work, live, and connect. Construction is anticipated to begin in early 2024. The initial phases are anticipated to include a main street restaurant/retail corridor, and opportunities for hospitality, office, healthcare, education, an employment core, and an additional 1,500 luxury mid-to high-density residential units that will reflect the same high-quality and desert-inspired design elements recognized in Vistancia. In addition, an extension of Vistancia's signature Discovery Trail is planned, offering a linear park connection through the entire property.

FIVE NORTH at VISTANCIA is separate from additional community services coming to Vistancia Point, where Barclay Group recently announced plans to develop a Fry's Marketplace and a gas station on approximately 19 acres at the corner of El Mirage Road and Lone Mountain Parkway.

Over the past 20 years, the community of Vistancia has been thoughtfully developed to bring the highest quality to all our residents. FIVE NORTH at VISTANCIA will be developed with the same precision and attention to detail offered over the past two decades. We believe FIVE NORTH at VISTANCIA will become a true destination while offering our residents unparalleled retail, dining, employment, and recreation opportunities.

Equally exciting, FIVE NORTH at VISTANCIA's commercial core will contribute to an increase in local tax dollars, which will enable the city to expand fire and police services in North Peoria.

VISTANCIA
PLANNED COMMUNITY DISTRICT (PCD)
MAJOR AMENDMENT REQUEST

Community Neighborhood Meeting
Wednesday, June 7th

MEETING OVERVIEW & GOALS

- WELCOME and THANK YOU!
- Vistancia History
- Vistancia Zoning Overview and PCD Major Amendment Request & Development Topics
- Q&A

FIVE NORTH at VISTANCIA

MEETING FORMAT

- Be courteous and respectful to all speakers
- Allow speakers to get through presentation
- Hold questions until Q&A
- Q&A (30 Minutes)
  - Approach microphones stationed on each side of the gymnasium
  - Refrain from duplicating questions during Q&A

FIVE NORTH
at VISTANCIA

VISTANCIA HISTORY

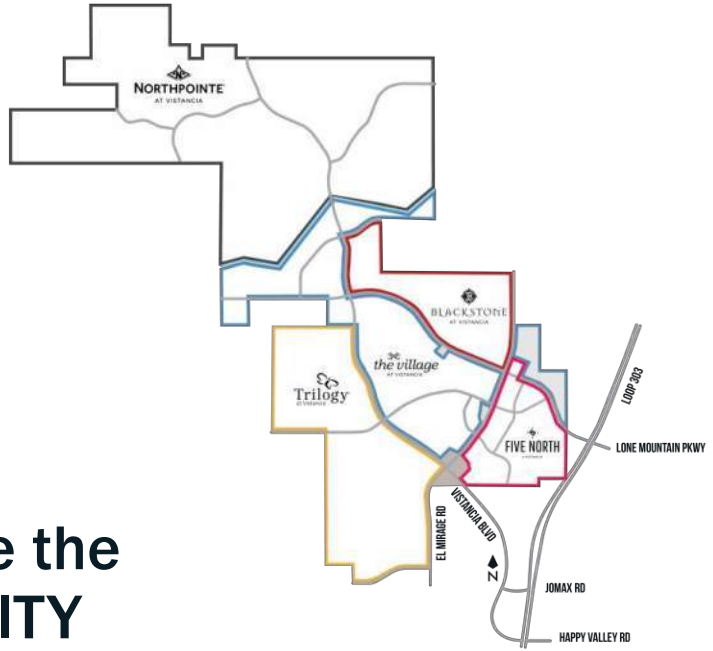

VISTANCIA HISTORY

- Since 2002, the 7,100-acre Vistancia MPC has been a FLAGSHIP development within the City of Peoria
- Vistancia has been recognized as one of the BEST and MOST LIVABLE master planned communities in Arizona for its:
  - HIGH-QUALITY AND DIVERSE housing opportunities
  - STATE-OF-THE-ART amenities and neighborhood services
  - EXTENSIVE RECREATIONAL opportunities (Golf, Trails, Parks)
  - ACCESS to the most pristine areas of the Sonoran Desert
  - VIBRANT community lifestyle and EXCELLING schools

FIVE NORTH at VISTANCIA

VISTANCIA'S LIFESTYLE COMMUNITIES

- Vistancia was master planned, zoned and has been developing in a series of FIVE HIGH-QUALITY LIFESTYLE COMMUNITIES.
- Today, we have FOUR Active Communities:
  1. Trilogy at Vistancia
  2. The Village at Vistancia
  3. Blackstone at Vistancia
  4. Northpointe at Vistancia
- FIVE NORTH at VISTANCIA will become the FIFTH and FINAL LIFESTYLE COMMUNITY

FIVE NORTH
at VISTANCIA

FIVE NORTH
at VISTANCIA

VISTANCIA PCD
MAJOR AMENDMENT REQUEST

VISTANCIA PCD BACKGROUND

- Vistancia's ZONING ENTITLEMENT is called a Planned Community District (PCD) and creates the FRAMEWORK for how to implement the VISION
- The Vistancia Commercial Core (FIVE NORTH at VISTANCIA) has ALWAYS been in Vistancia's approved PCD
- The PCD has been AMENDED several times throughout the 20+ yrs
  - 2002 PCD APPROVAL: 17,334 total residential units
  - 2012 MAJOR AMENDMENT - REDUCED residential units to 10,500

FIVE NORTH at VISTANCIA

2023 PCD MAJOR AMENDMENT REQUEST

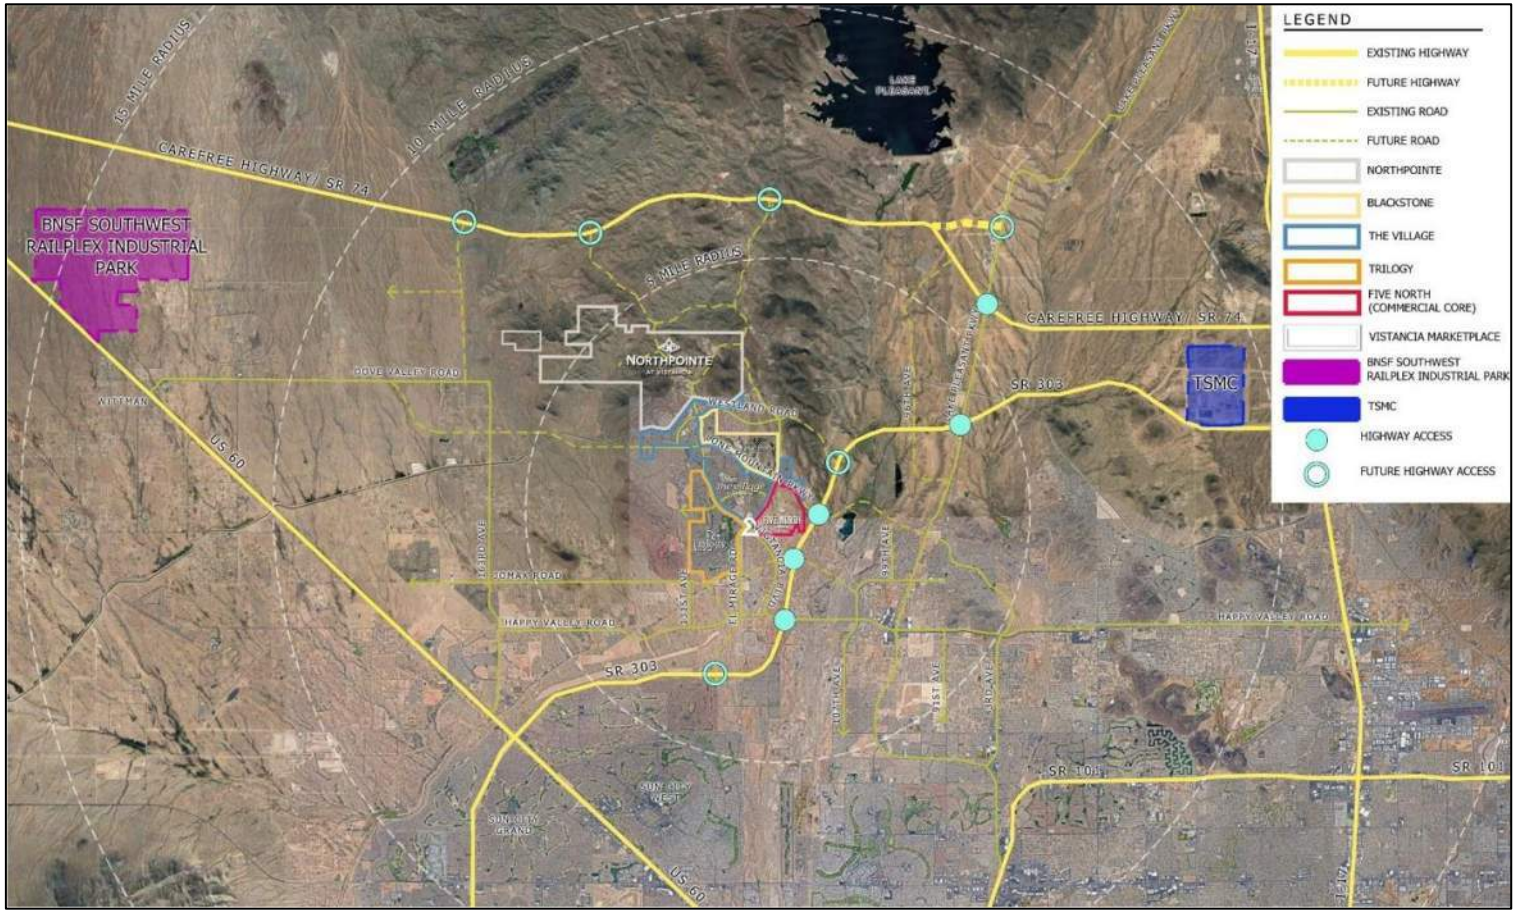

- **INCREASE** residential units to 12,000 (+1,500 units) and plan to locate the additional units within FIVE NORTH at VISTANCIA
- **REMOVE** two golf courses originally located north of the CAP

FIVE NORTH at VISTANCIA

+1,500 RESIDENTIAL UNITS

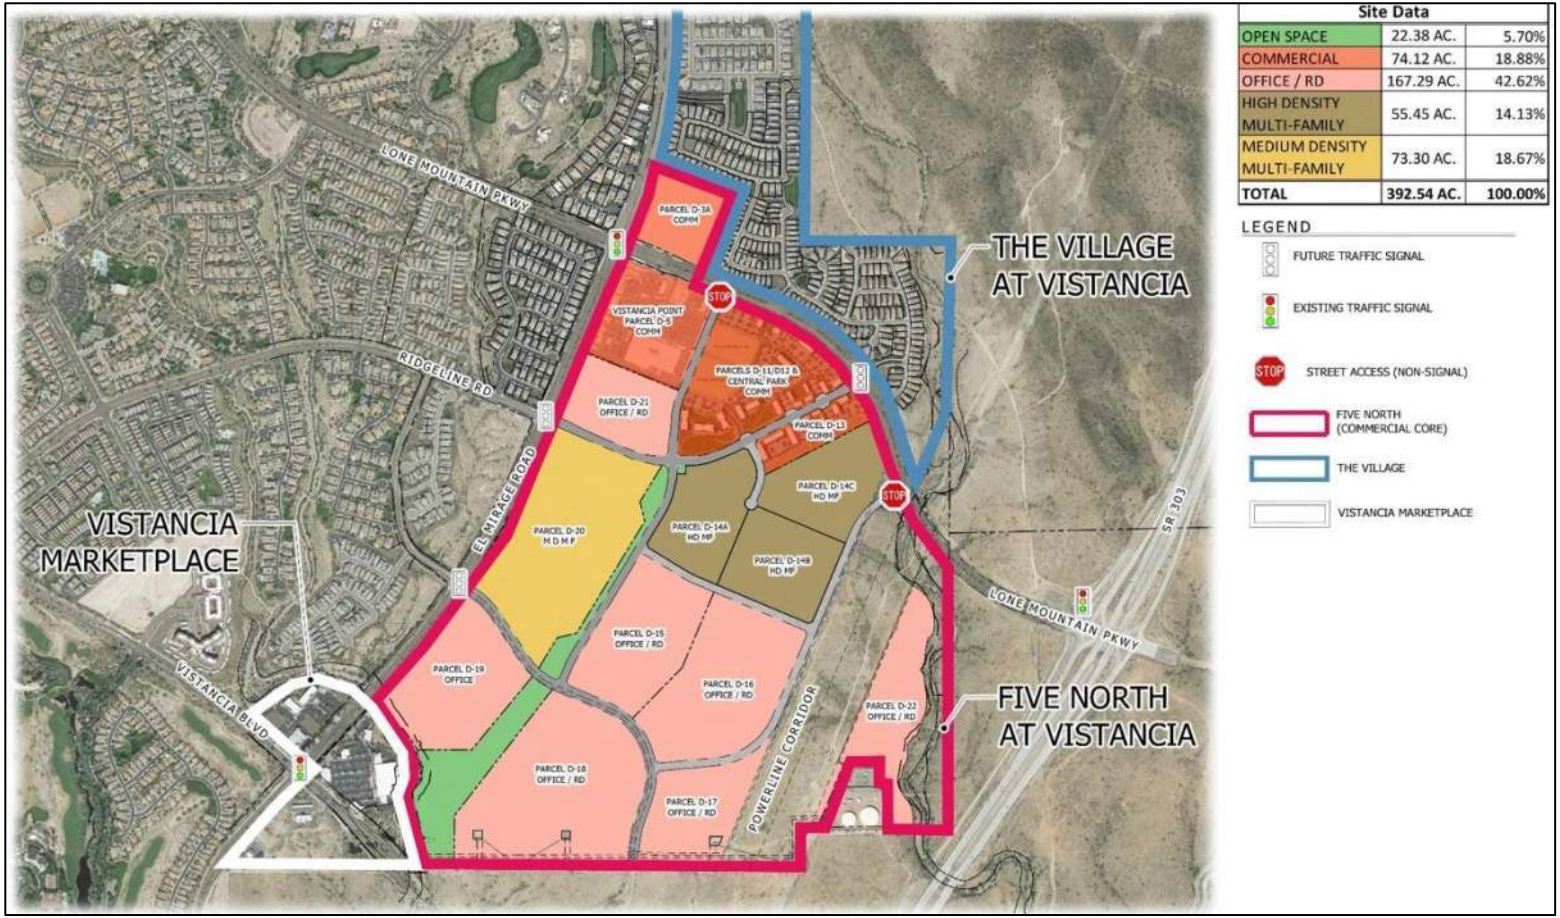

- "RIGHT SIZING" the max residential units and placing in the "RIGHT LOCATION", closer to freeway
- Additional MARKET RATE luxury units will provide much needed housing and the necessary "CRITICAL MASS"
- It is a known formula of MANY successful mixed-use development projects, that HIGH-DENSITY RESIDENTIAL development is KEY to success

FIVE NORTH at VISTANCIA

CONCEPTUAL LAND PLAN

FIVE NORTH at VISTANCIA

FIVE NORTH MIXED-USE COMMERCIAL COMMUNITY

- MIXED-USE ZONING, underlying land use plan has existed since 2002
- INTEGRATES uses in a harmonious site plan:
  - Restaurant/retail
  - Employment and office
  - Open space and connectivity
  - Higher density residential
  - Hospitality
  - Healthcare
- TIME IS NOW to move forward with development
- If NOT now, The City and Vistancia will be in jeopardy of LOSING THIS MARKET OPPORTUNITY

FIVE NORTH at VISTANCIA

MIXED-USE DEVELOPMENT BENEFITS

- Increased economic ATTRACTION & VITALITY
- QUALITY job creation
- HIGH-QUALITY retail, dining and nearby services
- INCREASED residential home values
- DESIRABLE open space and community experiences
- Enhanced WALKABILTY & CONNECTIVITY

FIVE NORTH
at VISTANCIA

FIVE NORTH AT VISTANCIA VISION

- Strategic VISION to be a DYNAMIC and VIBRANT lifestyle and employment HUB of activity
- WALKABLE and CONNECTION to COOL EXPERIENCES
- Attract BEST IN CLASS and HIGH-QUALITY lifestyle, living options

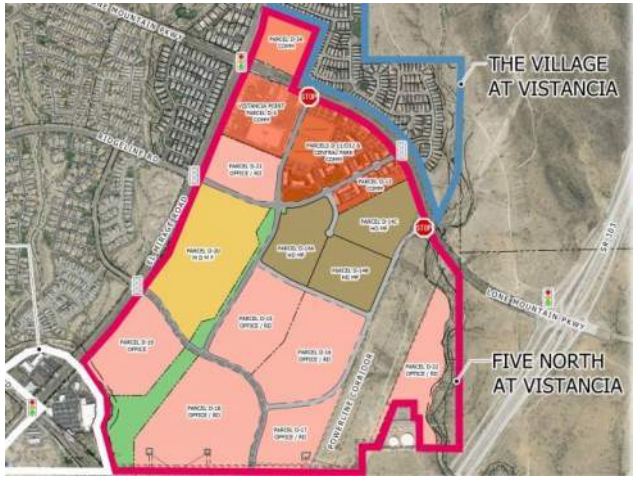

FIVE NORTH at VISTANCIA

FIVE NORTH
at VISTANCIA

ADDITIONAL FAQ'S & CONCERNS

ACCESS/TRAFFIC

- Primary access to residential units will be CONTAINED within adjacent arterials and Loop 303, NOT TRAVERSING THROUGH THE COMMUNITY
  - THREE access points from Lone Mountain Pkwy
  - TWO access points from El Mirage Rd
  - ONE potential access point from Vistancia Blvd
- Construction to widen Lone Mountain Pkwy is nearing COMPLETION

FIVE NORTH at VISTANCIA

WATER

- Vistancia has SUFFICIENT and proven water supply for the master plan
- ALL development in the PCD, including multi-family is part of the ASSURED water supply
- This will be SUPPORTED by a Utility Master Plan update for the Vistancia community to be approved by the City of Peoria
- The removal of two golf courses SUPPORTS the City of Peoria's Tier 2 water savings plan

FIVE NORTH at VISTANCIA

HIGH SCHOOL

- Multi-Family residential units generate approximately 0.20 STUDENTS PER UNIT
- 1,500 MF units are expected to generate approximately **330** TOTAL STUDENTS
  - Approx 225 elementary students
  - Approx 105 high school age students
- Single-family residential units generate 0.42 students per unit = **630 TOTAL STUDENTS**

FIVE NORTH at VISTANCIA

HIGH SCHOOL

- For 20 years, the City of Peoria and the PUSD have targeted Vistancia as a POTENTIAL location for a High School
- A BOND APPROVAL is required to fund land purchase and construction of a High School. NO BONDS have been passed by Peoria voters since 2012
- PUSD and the City CONTINUE to identify potential sites in the vicinity for a future full High School campus WHEN and IF Peoria voters APPROVE a Bond
- Vistancia CONTINUES to pursue OPTIONS for Charter or Private High School, which will not preclude a future PUSD High School

FIVE NORTH at VISTANCIA

OPEN SPACE

- 2012 MAJOR AMENDMENT
  Existing and planned Open Space totaled **2,179 acres**
- 2023 MAJOR AMENDMENT
  Existing and planned Open Space totals **2,648 acres**
  (**INCREASE of 469 acres, 21%**)
- **37%** of the Vistancia Community is existing and/or planned Open Space

APPLICATION UNDER REVIEW

Project Name and Case Number
Vistancia Major PCD Amendment – Commercial Core ("Five North")
Rezoning (Z01-10A.16)

Location and Project Size
11929 Ridgeline Road
Approximately 442 acres

Application Request
The applicant has submitted a major amendment to the **Vistancia Planned Community District** which consists of two requests: 1) Removal of two potential golf courses reserved within the community for future development, and 2) increase the overall maximum dwelling units from 10,500 to 12,000 and allocating those additional units to the Commercial Core ("Five North") area.

Project Description
- The 7,100 acres known as Vistancia was rezoned to Planned Community District (PCD) in 2001, which approved customized land uses and development standards for the entire master planned community.
- Given the time and effort required to develop a community of this size, there have been a number of refinements to the Vistancia PCD document approved over the last twenty years, such as adjusting location of land uses or modifications to development standards.
- As a part of this requested amendment, the applicant is seeking to remove two potential golf courses within the land north of the Central Arizona Project (CAP) area as part of its "environmentally sensitive community building practices".
- Additionally, the applicant desires to increase the number of multi-family units already allowed within the Commercial Core area by 1,500 units in order to provide more diversified housing in support of a synergistic mix of employment and commercial uses targeted within Vistancia and the larger region.

Planned Community District
Major Amendment Request

The Commercial Core, located south of Lone Mountain Parkway and east of El Mirage Road

Thank you for visiting!

The purpose of this website is to provide information to the public about this project. On this site, you will find graphics pertaining to the proposed project, as well as meeting information, FAQ's, and a section to submit questions, comments, concerns, and support. The website will be updated as new information is received.

SUPPORT THE PLAN

Project Description

Vistancia Development LLC is processing a major amendment to the zoning entitlement or PCD, which seeks to further expand and diversify the housing stock and lifestyle opportunities within the Commercial Core –a 320-acre+ area located south of Lone Mountain Parkway and east of El Mirage Road. (APN's 510-08-937 and 510-10-266; the "Property"). The rezoning case number is Z-01-10A.16 and is a request for the addition of 1,500 residential units, as well as refinement to the development standards and plan for the Commercial Core within the PCD. The existing use of the Property is presently vacant desert behind existing and planned commercial. The Property is currently zoned Mixed-Use.

VISTANCIA

Frequently Asked Questions

General

▶ **Where is this project located?**

▶ **What type of development is proposed?**

▶ **What is the status of a new high school?**

▶ **Is Vistancia replacing two golf courses with apartments?**

▶ **To what extent will these additional residential units**

Development Overview

The Commercial Core (“FIVE NORTH at Vistancia”) has been entitled for twenty (20) years as a 320-acre high-quality lifestyle hub of the award-winning Vistancia community. The current entitlements allow a mix of residential, commercial, employment and lifestyle uses. There has been little movement on the lifestyle (restaurants, shops, etc.) and employment uses because of market conditions. The current market demand and growth of the

have access to existing Vistancia amenities?

Zoning

▶ **What is the existing use of the property that is being rezoned?**

▶ **What is allowed to occur on the property under the current zoning?**

▶ **What zoning change is being requested from the City of Peoria?**

▶ **Were apartments ever part of the plan for the Commercial Core?**

▶ **Will these apartments be "Section 8 Housing"?**

▶ **What is the maximum height for development in the Commercial Core?**

Northwest region confirms the timing is right to move forward. We believe we have created a water conscious and residential land use upgrade to the overall master planned community with our latest amendment request.

Vistancia's zoning entitlement or master plan, (called a Planned Community District) ("VPCD"), created the framework on how to implement the vision, land uses and development standards throughout the community. Vistancia Development LLC , its subsidiaries, and its development partners have implemented the requirements of the VPCD since its inception creating great neighborhoods, trails, golf, parks and commercial amenities for its residents. As with any evolving and maturing planned community, there are refinements to the vision and overall plan. These refinements are often responsive to regional influences (such as the L303), evolving market conditions or other factors, which affect the evolution of the community. The VPCD has been

▶ **What is the maximum height for apartments in the Commercial Core?**

Tab 20

Questions and Response Summary

	QUESTION	RESPONSE
1	Will there be a specific school impact fee that will be paid by the Developers to our schools or community?	The Developer and the Peoria Unified School District have executed a Developer Assistance Agreement, that outlines the terms by which the District is compensated for the impact to the PUSD of the development within Vistancia. Under the Agreement, multiple K-8 school sites will be donated to the PUSD in lieu of specific school impact fees.
2	We understand the offices and residential units can be up to 120 ft or 8 stories. Can this height be limited to avoid standing out from the aesthetic nature of Vistancia?	We most likely will not build all residential units to the height limit of 85', but need to maintain the flexibility to determine that as development and market changes occur.
3	How will traffic be controlled to avoid long backups on Vistancia, El Mirage and Lone Mtn?	We are ultimately adding 3 new traffic signals and all of the traffic and road improvements are being vetted through a Traffic Impact Analysis which will be approved by the City of Peoria.
4	How tall is the tallest building?	The maximum height for development within the Commercial Core is not changing from the existing allowance of one hundred twenty feet (120').
5	How tall are the apartments?	There is no required increase in the currently allowed residential building heights of eighty-five feet (85') for the Commercial Core to accommodate the requested additional residential units.
6	The Things this community doesn't need: - More retail shops - Another grocery store - More restaurants What this community Needs: - A third high school - A post office - Open desert space to enjoy - No more artificial lights from all the development and parking lots	The 320 acres along Lone Mountain and El Mirage have always been planned for commercial uses. The Developer is pursuing all options to locate a high school in the Commercial Core. For the last 20 years, the City of Peoria and the Peoria Unified School District had targeted the Vistancia Commercial Core as a potential location for a full-sized district high school, should voters pass a Bond to fund the construction. Unfortunately, a Bond has not passed by Peoria voters since 2012. PUSD and the City are continually seeking to identify a site in the vicinity that would accommodate a future full high school campus, when and if Peoria voters approve a Bond to build one. We would welcome a post office to the area if that use requires to be developed here. Development at this site will be required to adhere to the City's Dark Sky Ordinance policy, which significantly minimizes light pollution and is what all of Vistancia currently uses.
7	Need restaurants (no chains) Shopping	We agree and have engaged restaurant and retail brokers and developers with expertise in attracting and building high-end, local restaurants and retail throughout the Valley.
8	Would you consider a commitment to limit the apt/townhouse construction to 3 stories (vs. the potential for 8 stories)?	We most likely will not build all residential units to the height limit of 85', but need to maintain the flexibility to determine that as development and market changes occur.
9	Will there be a local post office? Status of a new high school?	The Developer is pursuing all options to locate a high school in the Commercial Core. For the last 20 years, the City of Peoria and the Peoria Unified School District had targeted the Vistancia Commercial Core as a potential location for a full-sized district high school, should voters pass a Bond to fund the construction. Unfortunately, a Bond has not passed by Peoria voters since 2012. PUSD and the City are continually seeking to identify a site in the vicinity that would accommodate a future full high school campus, when and if Peoria voters approve a Bond to build one. We would welcome a post office to the area if that use requires to be developed here

	QUESTION	RESPONSE
10	Our family was one of the first home buyers in Vistancia over 18 years ago. I worked with Sandy Esmay and Sunbelt to establish the Foothills pool along with the Vistancia Vipers swim team. At the time, Mark Hammons was also a part of SunBelt Holdings. This community is special. The families who moved here did so to raise our children on the outskirts away from the city. We are so upset with the 1500 apartments that his new company is building. They are not luxury price points and will bring crime, traffic and so many negative things into this community. We are involved members of Vistancia. How do we get a copy of the impact study and other data used to justify this increase in housing? I would also like to be informed of any upcoming meetings because this entire situation is extremely upsetting to our family, neighborhood and the Vistancia community. I have not spoken to one member of the community who is happy with this increase in housing. What was shown to us last night, was not what was "pitched". We are extremely disappointed in Mark Hammons, Jason Beck and the developers. It feels like many conflicts of interests as well.	Please see updated FAQ's on https://zoningvist.com/ Additionally - We have undergone a variety of studies, resident surveys, and utilized market experts to best understand the appropriate mix of employment, multi-family, commercial, medical, etc. that could be successfully developed on the 320 acres ultimately. We are confident that this kind of deliberate, thoughtful approach in conjunction with our utilization of development experts in each of these asset classes will serve to build a commercial core in Vistancia that attracts and sustains best in class uses and tenants. Mixed-use examples with similar % uses and acreages are Kierland Commons, San Tan Village, Cooley Station, Agritopia, Westgate.
11	1) What statistics support the need for apartments in a REMOTE community like Vistancia? 2) With most cities requiring 1.5 parking spaces for each dwelling how will this be handled? 3) With businesses being mixed in, 1.5 parking spaces will be woefully in-adequate. How will this be handled? 4) You have a community who disposable income remains high - I am confused how apartments address the need of Vistancia? 5) If the developer asks for this, are you requiring development to start at a certain date. 6) What is the city getting for this? Vistancia does not need apartments. It needs amenities.	Please see updated FAQ's on https://zoningvist.com/ Additionally - 1) We have undergone a variety of studies, resident surveys, and utilized market experts to best understand the appropriate mix of employment, multi-family, commercial, medical, etc. that could be successfully developed on the 320 acres ultimately. We are confident that this kind of deliberate, thoughtful approach in conjunction with our utilization of development experts in each of these asset classes will serve to build a commercial core in Vistancia that attracts and sustains best in class uses and tenants. Mixed use examples with similar % uses and acreages are Kierland Commons, San Tan Village, Cooley Station, Agritopia, Westgate. 2) -3) We will meet all required parking standards for each use. We are building the restaurants in phases and will utilize surface areas to park initially and then as project grows and becomes more successful, we will construct joint-shared parking garages in conjunction with other uses (such as hotel) and utilize ride-share options, similar to Kierland, Scottsdale Quarter, etc. 4) Similar to many other successful mixed-use communities, such as Kierland, San Tan, Scottsdale Quarter and Cooley Station, apartments are critical to build a sustainable market in the immediate area to attract the highest quality restaurants and retail--especially in a growth markets. Restaurants, especially first to market, best in class tenants need density in addition to high demographics to come to new growth markets. 5) We will work collaboratively with each development use to time the market appropriately. 6) City will get a fully integrated mixed-use development campus, including important employment options and sales tax uses, all designed in the highest quality level that all of Vistancia maintains. This will be a point of pride for the entire NW Valley. Additionally, we are extending the Discovery Trail as a linear park throughout the entirety of the project, ending at the start of Main Street retail and restaurants with a large community park. Events, such as farmer's markets, community events, etc. will be held at this park. All roads, including the Discovery Trail will have pedestrian and bicycle amenities, fully integrating with residential and commercial uses to create a true Village campus for Vistancia residents.
12	Will the high-density & medium-density housing be adult only units?	No

	QUESTION	RESPONSE
13	Where do you plan to place school-aged children when Lake Pleasant Elementary & Vistancia Elementary, & Liberty High School are ALL over-capacity?	The Developer does not build schools. There is a thirdK-8 site planned to be donated to the PUSD. A bond will need to be passed by the voters of the City of Peoria to build a PUSD high school. The Developer continues to pursue options for a private or charter high school in FIVE NORTH.
14	Evacuation routes - Are there going to be exits & roads leading to Jomax and Vistancia Blvd?	Addressed in 6/7 Neighborhood Meeting Presentation
15	Water? Schools? Elect? No big apartment buildings.	Addressed in 6/7 Neighborhood Meeting Presentation; Heights are not increasing from the current allowances in the existing PCD: 85' for residential, 120' for other commercial uses
16	How many stories will the tallest building be?	That will depend on the design and construction of the building. Heights are not increasing from the current allowances in the existing PCD: 85' for residential, 120' for other commercial uses
17	1. Impact increased apartments on school system? 2. Apt. residence do pay direct property taxes, concern they are less rooted in the community. 3. What is the difference between Lux apts and medium apts.?	Addressed in 6/7 Neighborhood Meeting Presentation; The developer intends to develop high-end, market rate luxury residential. Cannot yet speak to specific plans and layouts, as that is to be determined with the developers of the residential projects.
18	Under what rational plan do you believe increasing apt units from 400 to 1900 an almost 500% increase is a benefit to the community?	Addressed in 6/7 Neighborhood Meeting Presentation
19	1. Why # of housing in this water crisis? 2. What happened to the two proposed golf courses?	Addressed in 6/7 Neighborhood Meeting Presentation
20	With the conversion of so much commercial to residential space, what is the project water supply longevity with what Vistancia wells can currently provide?	Addressed in 6/7 Neighborhood Meeting Presentation
21	Has any consideration been done to allow/facilitate golf cart access from Trilogy? Bridges under Vistancia & El Mirage are already there. Reduce traffic (auto) and reduce pollution (air) access to shopping, restaurants, etc. only. If not, why not?	Thank you for your comment, we will look into this.
22	Is the development going to be like, Norterra, West Gate or Kierland Commons? Can you give us an example of restaurants & shops?	Addressed in 6/7 Neighborhood Meeting Presentation; The Developer is pursuing best in class restaurants and shops
23	1. How does my quality of life improve with this approval? 2. What are the crime projections the next 10 years with this approval? 3. Impact on H2O demand increase? 4. Why expand with a lack of H2O?	Addressed in 6/7 Neighborhood Meeting Presentation; The City of Peoria evaluates and determines need for public safety within the City.
24	Who is responsible for infrastructure? What is being done to insure schools for all these apartments? Elementary schools in Vistancia very over crowded. No high school in Vistancia Area.	Addressed in 6/7 Neighborhood Meeting Presentation
25	Will the apt's have their own amenities? Pools, etc.? Where will these additional 1500 dwelling units send their kids to schools that are over capacity?	Yes, the projects will have their own amenities; School Addressed in 6/7 Neighborhood Meeting Presentation
26	What are the laws regarding e-zoning?	Laws regarding re-zoning can be viewed on the City of Peoria's website
27	1. What is meant by med/high density living? 2. If apartments is section 8 going to be allowed? 3. Is the trail going to be connected?	Medium density are fewer units to the acre, lower in height residences, high density is more units to the acre, taller buildings. Based on market, product type is likely to be more "suburban".
28	1. Why remove golf course? 2. Any Sec 8 homes?	Golf Courses addressed in 6/7 Neighborhood Meeting Presentation and further noted that not only do golf courses use too much water, they do not make fiscal sense in these times
29	1. Hotels? 2. Dining Options? 3. What is happening to the golf course land? 4. No rental units.	Addressed in 6/7 Neighborhood Meeting Presentation
30	1. How many HO petition signatures will it take to stop the amendment? 2. Or is this a done Deal? 3. Can we vote?	The City of Peoria Planning Commission and City Council are the bodies that vote on re-zoning cases.

	QUESTION	RESPONSE
31	Suggestion: to get the residents behind this, find out a way to donate land to the district. Tax write-off for you, school for us.	The Developer and the Peoria Unified School District have executed a Developer Assistance Agreement, that outlines the terms by which the District is compensated for the impact to the PUSD of the development within Vistancia. Under the Agreement, multiple K-8 school sites will be donated to the PUSD in lieu of specific school impact fees.
32	Should the local residents, who bought in this neighborhood to get way from urban life, have a voice in this plan? Including the ability to reject multi-family transient housing?	The City of Peoria Planning Commission and City Council are the bodies that vote on re-zoning cases.
33	What about lack of school, we cannot support more students. Will the developer build a school?	Addressed in 6/7 Neighborhood Meeting Presentation
34	What traffic study impacts mitigation are planned? What noise & lighting statement/mitigation is proposed?	Addressed in 6/7 Neighborhood Meeting Presentation
35	When will a new high school & grammar school be built in Vistancia?	Addressed in 6/7 Neighborhood Meeting Presentation
36	The area has changed. This development used to include a school & other amenities as demonstrated by content shared in 2005-2010. This plan is a change. How do you plan to address the huge influx of upwards of 5,000 people & thousands of cars?	Addressed in 6/7 Neighborhood Meeting Presentation
37	If the proposed development doesn't happen, what will come in its place?	Any uses allowed per the existing zoning, not likely in a cohesive master plan, similar to what is currently proposed.
38	What are the alternatives to MF?	Addressed in 6/7 Neighborhood Meeting Presentation
39	Does Multi-Family Unit mean "apartment"	Multi-Family has a variety of residential types; could include apartments, condos, townhomes
40	What plan do you have to address the crime associated with apartments?	Building Codes are in place that require building and site features related to safety of the community and residents; the Developer intends to develop to these codes; The City of Peoria evaluates and determines need for public safety within the City.
41	How many stories/rents/square footage of the apartments?	Heights are not increasing from the current allowances in the existing PCD: 85' for residential; Cannot yet speak to specific plans and layouts, as that is to be determined with the developers of the residential projects.
42	What is height of the apartments? What is height of the commercial?	Heights are not increasing from the current allowances in the existing PCD: 85' for residential, 120' for other commercial uses
43	Did you get rid of golf courses for water reduction or a trade-off to be able to build MF units? Golf courses use only reclaimed water.	Addressed in 6/7 Neighborhood Meeting Presentation; There is not enough reclaimed water produced in the community of Vistancia to support another golf course, fresh water would need to be utilized as well.
44	Does 500 +1400 = 1900 limit the maximum to 1900 units in the commercial core?	It is the Developer's proposal to develop that many MF units with the addition of the 1,500 units, but the Vistancia zoning does allow units to be transferred from other Villages to FIVE NORTH
45	What is viability of flooding the area with apartments?	Addressed in 6/7 Neighborhood Meeting Presentation
46	How do we fight this?	The City of Peoria Planning Commission and City Council are the bodies that vote on re-zoning cases. Citizens are welcome to attend the Zoning Commission and City Council meetings and voice their concerns.
47	How many of the 1500 residential units are going in the commercial core?	The Developer plans to place all of the additional residential units in the Commercial Core
48	What is per capita?	Cannot yet speak to specific plans and layouts, as that is to be determined with the developers of the residential projects.

	QUESTION	RESPONSE
49	What is the delineation between apartments/condos/assisted living, and will there be a limit per use?	Cannot yet speak to specific plans and layouts, as that is to be determined with the developers of the residential projects. There is not a limit per use.
50	What do golf courses have to do with apartments?	Addressed in 6/7 Neighborhood Meeting Presentation
51	Who figures out public transportation for the additional residents?	The City of Peoria
52	How willing are you to listen to the feedback of the residents?	Very willing, the Developer has held two public meetings, created two websites which both have links to reach out to the Developer with questions.
53	What kind of restaurants are you bringing? When will they open?	The intent is to build a commercial core in Vistancia that attracts and sustains best in class uses and tenants
54	What is the plan for traffic and trucks? Is there a plan for barriers to the added noise?	Addressed in 6/7 Neighborhood Meeting Presentation; Barriers to noise would be contemplated if a requirement of the City of Peoria.
55	Will there be adequate parking for the proposed uses in the commercial core?	Yes
56	We want the MF units to be owned, not rented	Thank you for your feedback.
57	what is defined as high density vs medium density? Are you will to restrict development of each?	Medium density are fewer units to the acre, lower in height residences, high density is more units to the acre, taller buildings. Based on market, product type is likely to be more "suburban". There is no intent to restrict development of either.
58	We need a space for pedestrian engagement	Addressed in 6/7 Neighborhood Meeting Presentation
59	What is the plan for the additional traffic?	Addressed in 6/7 Neighborhood Meeting Presentation
60	What is the plan for light pollution?	All development within Vistancia adheres to the City of Peoria's dark sky ordinance
61	If you don't get the additional 1,500 units does the project move forward?	Not likely. This is a well researched, analyzed and master planned, balanced land use plan in which each of the planned uses depends on the other planned uses. If the Developer does not achieve the addition residential units, that are needed to support the demands of the other planned uses, it is likely the property will revert to the underlying land use (zoning) in a non-cohesive, not master planned development.
62	Are you able to construct bio-medical processing facilities?	The Vistancia PCD allows for many "employment" uses, including light industrial and manufacturing. We will look into whether bio-medical processing would be allowed under the existing zoning.
63	Are you aware of the HUD Housing / Fair Housing legislation signed in January and February of 2023 and the impact to this site?	We are not, but will look into it.
64	Where are the impact studies and data that justifies this major change? What Areas of Arizona are you using for this model? A like for like to a similar area or like for similar? Please share the data that supports your proposal. Specifically, what data do you have that indicates we need apartments in order to develop the commercial restaurant area? What upscale restaurants did you solicit and what documented data do you have?	Answered via letter with this individual, offered to set up meeting with the Developer to discuss in person as well. The letter was subsequntly posted to the FAQ section of the zoningvist.com website and titled "Development Overview"

Mr. Smith, the folks at Vistancia sent me your email requesting more info on the proposed PCD Amendment case. I work with Tiffany & Bosco and we are assisting Vistancia with their land use entitlements. I have attached a response that we worked on to try to address many of your comments. We appreciate you reaching out early in the process. We are also available to meet you in person to discuss this response and any other items you want to discuss. Let us know and we'll set something up. Thanks, Kurt

The Commercial Core ("FIVE NORTH at Vistancia") has been entitled for twenty (20) years as a 320-acre high-quality lifestyle hub of the award-winning Vistancia community. The current entitlements allow a mix of residential, commercial, employment and lifestyle uses. There has been little movement on the lifestyle (restaurants, shops, etc.) and employment uses because of market conditions. The current market demand and growth of the Northwest region confirms the timing is right to move forward. We believe we have created a water conscious and residential land use upgrade to the overall master planned community with our latest amendment request.

Vistancia's zoning entitlement or master plan, (called a Planned Community District) ("VPCD"), created the framework on how to implement the vision, land uses and development standards throughout the community. Vistancia Development LLC , its subsidiaries, and its development partners have implemented the requirements of the VPCD since its inception creating great neighborhoods, trails, golf, parks and commercial amenities for its residents. As with any evolving and maturing planned community, there are refinements to the vision and overall plan. These refinements are often responsive to regional influences (such as the L303), evolving market conditions or other factors, which affect the evolution of the community. The VPCD has been amended several times throughout its 20+-year history to enhance its position as a livable community.

A Master Planned Community of this size and scale (9.5 square miles) takes decades to develop and as such, it is normal and customary for plans to evolve and change over time to meet the current conditions and needs of the surrounding area. In order to protect the long-term property values and maintain the high level of quality the Vistancia Master Plan has always achieved, it is important to shape the 320+ Commercial Core acres in Vistancia with the same adherence to quality design and to attract the highest quality development. This takes time and patience and as a result of both, we are now in a position to match the market demand and methodically develop the Commercial Core at the highest possible level. The Commercial Core at Vistancia has always been planned to contain a mix of retail, office, lifestyle focused multi-family and other complementary uses to serve the diverse needs of Vistancia and the City of Peoria residents and visitors. While Vistancia has consistently and continually kept the Master Planned Community intact and development consistent with the overall vision, over the life of a project it is important to continually refine the vision to retain its position as a top planned community.

Below is the data and information that supports the development proposal:

1. FIVE NORTH has long been envisioned as a dynamic mixed-use project including an employment center, for northwest Peoria.

   Much work and careful planning has been invested in the balanced land use plan that has been created in support of this vision and current market conditions:

   a. In preparation of the balanced land use plan, it was important to the Developer to include the components of proven successful mixed-use developments. The Developer commissioned a private study, analyzing successful similarly sized mixed-use projects in the Sunbelt Region as well as conducted interviews with the site selectors for large job creating employers of the targeted industries for the FIVE NORTH mixed-use project:

      i. The commonality of these mixed-use developments is their success of incorporating a blend of higher density residential and employment generating land uses, which creates a sense of place that is attractive for employers and their workforce.

      ii. The workforce within the desired sectors desire highly amenitized areas to live and work, proximity to restaurants, bars, recreation.

      iii. Missing from the immediate area of FIVE NORTH is diversity in housing type and price point.

      iv. Given the demographics within the commute shed, combined with a land plan that blends uses that are walkable, it could be possible to attract a mix of locally serving commercial tenants and high density residential to serve as a magnate for the siting of technology companies, corporate office, hospitality and entertainment.

      v. There needs to be a catalyst to seed the overall development, multi-family residential, along with the strong core of existing and planned single-family residences could be the catalyst to trigger desirable commercial development within FIVE NORTH

   b. The Developer concurrently conducted a survey of the residents and surrounding area to understand their vision, current shopping habits, and the type of retail and restaurants they desire to have within the Commercial Core:

      i. The key findings of the survey have been carefully evaluated and incorporated into the balanced land use plan.

2. Vistancia is located directly between two major employers (TSMC to the east and BSNF to the west), both of which are new to the Valley. It is smart to include additional housing options within the FIVE NORTH development for the employees of these major employers, which will in turn enhance the critical mass needed to support the desired retail and restaurants. The location, along a major freeway corridor and not within the majority single-family neighborhoods of Vistancia is sound planning for the success of FIVE NORTH.

3. Finally, it is a known formula of MANY successful mixed-use development projects in the Valley, that high-density residential development is a key component to the success of the projects.
   The following is a list of highly successful mixed-use projects. Each of these projects includes a large number of high-density residential in the immediate vicinity and started out with high-density residential development in the first phases:

   a. **Kierland: 351 Mixed-Use Acres**

Existing Apartment Units:	2,118
Apartment Units Under Construction:	906
Apartment Units Planned:	360
Total Units	**3,384**

   b. **San Tan Village North: 275 Mixed-Use Acres**

Existing Apartment Units:	1,342
Apartment Units Under Construction:	159
Apartment Units Planned:	274
Total Units	**1,775**

   c. **Cooley Station: 232 Mixed-Use Acres**

Existing Apartment Units:	1,727
Apartment Planned:	926
Total Units	**2,653**

   d. **Westgate: 357 Mixed-Use Acres**

Existing Apartment Units:	2,156
Apartment Units Under Construction:	308
Apartment Units Planned:	685
Total Units	**3,149**

In addition, regarding the restaurant and retail portion of FIVE NORTH; ownership took a thoughtful and detailed approach to this portion of the project. The Developer first hired experts in retail and restaurant development that have worked on successful valley projects such as Kierland, Scottsdale Fashion Square, Agritopia and Uptown Plaza. The Developer also utilized these experts to modify the retail and restaurant site plan, first creating a Main Street approach to the project, eliminating a median, and narrowing the street in order to enhance the pedestrian experience and encourage cross shopping and engagement in the Main Street area. The width and length of the Main Street in this area was deliberately designed to mimic the Main Street in Kierland Commons. The brokers selected for this portion of the project have the best relationships in the state with the major restaurant tenants the Developer is seeking to attract to the FIVE NORTH project. The Developer has hosted multiple tenant tours and received very positive feedback from the market. There is a deliberately phased approach to this portion of the project in order to protect the Main Street and preserve the best possible spaces for the highest caliber of tenants. The total square footage for the restaurant and retail portion of FIVE NORTH was calculated to be commensurate with other Class A quality retail projects in the Valley. The high caliber restaurants that the Developer and brokers are actively engaging in the project will require the critical mass that the lifestyle focused multi-family as well as employment users will bring, in order to locate within FIVE NORTH and be successful long term.

Mr. Smith, as follow up to this email thread, as stated before, the multi-family residential units are planned to be market rate, luxury, lifestyle focused multi-family residential units that also provide their own amenities for their own residents. We have stated during the open house and in other discussions that North Phoenix/Scottsdale's Kierland and Quarter developments, as well as other mixed-use developments in the valley, have a significant MF presence and those development continue to attract higher end food and beverage and retail and employment uses.

If this Section 8 issue is a concern of the community and City Council with our PCD amendment request, we'd be happy to discuss some sort of CC&R (code, covenant and restriction) that restricts the proposed 1,500 units to market rate units within the commercial core. Thank you, Kurt

Subject: RE: 5 North @ Vistancia

Heather, thanks for reaching out and nice to meet you electronically. I am hoping to clarify a few of your questions. With regards to your golf course question highlighted below, I believe you are referring to our request to amend the Vistancia PCD, outside the major amendment for the additional 1,500 multi-family units, to remove the two (2) remaining golf courses. Five North (spelled out FIVE vs. numeral 5) is approximately 320+ developable acres of the 7,100+ acre Vistancia community, and there were never plans for two (2) golf courses within the core (Five North). Those two (2) golf course were always planned north of the canal. As we discussed in our open houses, our emails and all public communication, the request to remove the golf course deals more with water, land planning and current market conditions. Even if we left one course as you are requesting, it is not a requirement to build, but a placeholder for that land use or residential homes. The Vistancia development team has made the decision to not move forward with golf as an option north of the canal where originally planned. The City is also in favor of this land use plan change. Again, this decision to remove the golf courses is a minor amendment and not associated with the major amendment to add the additional multi-family units in Five North.

As for your 2nd question regarding a 'deed restriction' for only 'for-sale' multi-family units is not an option for our proposal. The goal of the additional residential units is to provide the critical mass of residents/consumers for the types of retail, restaurant and service uses all Vistancia residents expect within Five North. Also, the City cannot restrict our major PCD amendment to 'for-sale only' as that is unenforceable from the City's legal standpoint. As you have met with Mark Hammons and the Vistancia development team, their commitment is to market these additional multi-family units to luxury rental and ownership developers. Mark and his team will ensure the quality, design and amenities are a part of any multi-family development within Five North.

Let me know if you have any further questions and again thanks for reaching out. Kurt

Subject: 5 North @ Vistancia

Good morning Kurt,

I have been working with Mark Hammons and his team to try and help educate our community here in Vistancia and the 5 North development. As you know, the community is a bit fearful of section 8, too many transient residents etc. My husband Chris shared with me the letter you wrote to him about the comparisons to Kierland, Cooley Station etc but I'd like to learn how we can address a few of the concerns I'm hearing from our community aside from the section 8 previously discussed.

It is my understanding that currently there are two golf courses planned for this parcel, is there a possibility one course can remain as part of the upscale hotel much like at Kierland with the Westin and Desert Ridge with JW Marriott? So many of my clients, friends and family who come to visit stay in north Scottsdale due to there not being any high quality hotel space here in north Peoria. Being a golfer myself we are lacking another public course giving us more choice than Trilogy. We are members of Blackstone and use our course there but most folks are not interested in paying those fees and there is now a waiting list to be a member. Now with the Trilogy HOA taking over the Trilogy Golf Course there is already worry it will not be managed in a way to support the greens fees as the current condition is not good and fees are too high. Many of us instead venture to Quintero, Legend Trails etc.

In regards to the additional multi-family units. Is it possible to add as a deed restriction that these additional units be "condos for sale" units rather than apartments? I am aware of course any deed use restriction can be brought back to city council to request a change to rental apartments but I strongly believe a builder will come in and take on the project. Sterling Grove condos are selling north of $500,000 and that area is certainly one if not two steps below Vistancia. Being a real estate broker I can say, condos for sale in 85383 are virtually non-existent creating a high demand for luxury condos in our area and this would serve the development, City of Peoria with tax revenue and I believe bring less resistance from the community.

I appreciate you taking your time to share in detail with my husband. I am a very detailed person myself and believe earnest communication and attention to detail will always further succeed our goals in life and those of our friends and neighbors.

Thank you for your time and I look forward to your response.

Heather Smith

Tab 21

City of Peoria Notice of Application Post Card Proof

Vistancia Major PCD Amendment – Commercial Core ("Five North")
Rezoning (Z01-10A.16)

11829 Ridgeline Road
Approximately 442 acres

Kurt Jones
602.452.2729
kajones@tblaw.com

The applicant has submitted a major amendment to the **Vistancia Planned Community District** which consists of two requests: 1) Removal of two potential golf courses reserved within the community for future development, and 2) increase the overall maximum dwelling units from 10,500 to 12,000 and allocating those additional units to the Commercial Core ("Five North") area.

- The 7,100 acres known as Vistancia was rezoned to Planned Community District (PCD) in 2001, which approved customized land uses and development standards for the entire master planned community.
- Given the time and effort required to develop a community of this size, there have been a number of refinements to the Vistancia PCD document approved over the last twenty years, such as adjusting location of land uses or modifications to development standards.
- As a part of this requested amendment, the applicant is seeking to remove two potential golf courses within the land north of the Central Arizona Project (CAP) area as part of its "environmentally sensitive community building practices".
- Additionally, the applicant desires to increase the number of multi-family units already allowed within the Commercial Core area by 1,500 units in order to provide more diversified housing in support of a synergistic mix of employment and commercial uses targeted within Vistancia and the larger region.
