

Bid Price and Delivery Schedule For

******* Peoria Fire & Medical Department *******

Rosenbauer South Dakota LLC is pleased to provide this bid proposal. The proposed apparatus has been tailored around the requirements of the fire service industry and we are confident that our proposal will meet and exceed the needs of the department. The proposed apparatus will be constructed utilizing only the highest quality materials and workmanship available in the industry. The apparatus will provide the upmost firefighter safety and efficiency on the fire ground along with extended life and lower maintenance cost throughout the life of the vehicle.

Unit description: FX 3,000-gallon tender

\$586,564.00 plus tax**

On a Freightliner M2-112 2-door extended cab chassis

**** Includes two factory trips for three department personnel**

The specifications herein contained shall form a part of the final contract, and are subject to changes desired by the purchaser, provided such alterations are interlined prior to the acceptance by the company of the order to purchase, and are provided such alterations do not materially affect the cost of the construction of the apparatus.

The proposal for fire apparatus conforms with all Federal Department of Transportation (DOT) rules and regulations in effect at the time of bid, and with all National Fire Protection Association (NFPA) guidelines for automotive fire apparatus as published at the time of bid, except as modified by customer specifications. Any increased costs incurred by the first party because of future changes in or additions to said DOT or NFPA standards will be passed along to the customers as an addition to the price set forth above.

Contract Terms

Delivery:

The proposed apparatus shall be completed within 575-calendar days after the completion of the preconstruction meeting and final production specifications have been approved by the Peoria Fire & Medical Department.

Price Terms:

This offer shall remain valid for sixty, (60) calendar days from the quotation submittal date of January 23, 2024.

Options:

100% Prepayment

Should the department decide to prepay for the unit 100% at the time of purchase a discount of \$26,000.00 would be deducted from the contract price. The prepayment option includes a 100% performance bond.

Payment:

Contract payment of one-hundred percent (100%) of the purchase price shall be paid upon delivery and acceptance of the completed unit.

I want to thank the Peoria Fire & Medical Department for the opportunity to serve the needs of the department.

Sincerely,

Chad Horne
