## 2024 Board and Commission Subcommittee Meeting Survey Results

### **Do you have any feedback on this year's event or suggestions for next year's event?**

- More vegetarian meal options
- Really loved the chance to meet city staff and other boards membership.
- More variety of food & alcohol choices. There was limited availability what you could select. Some ladies don't drink beer, and there was not a variety to choose from; 2-3 at the best.
- Really missed the speech by the Mayor, as he was not able to for the Baseball game was starting. Would welcome more interaction with him... Overall, the committee that put this together, knocked it out of the park!!! Thanks so much.
- The Savannah Banana's night out was so much fun! Thank you for hosting this appreciation event. I'm already looking forward to next year. I really appreciate how the City of Peoria goes above and beyond to recognize volunteer board members. The Peoria Sports Complex and all the management, staff and volunteers do such a wonderful job in hosting events and games. Thank you!
- The area we were in was nice but it would have been more better sitting closer to the field to see more of the action with the "Bananas"
- It would be nice to highlight our Boards & Commissions at Appreciation events. This can be done by prompting them to stand and thanking them for the volunteering and service to our city or displaying the boards and names on a screen. I would like for the events to specifically be appreciation events and not just a night out.
- There were no food options for people who don't eat meat. I also thought the mayor would be speaking but wasn't notified if/when he did. The event itself was a ton of fun. Thank you!!
- The food was disappointing - for example, the dessert table could have easily been much more appealing with a quick stop at Costco's bakery without having to break the bank. The venue was a fun and it felt like that was the real reward, getting to see the game. The food felt like a last minute afterthought.
- There were not enough seats to see the entertainment. Maybe next time if we could have actual seats after we ate would be nice.
