Dear Sandra Garcia

Peoria Municipal Court

The Administrative Office of the Courts (AOC) has approved the application submitted by the court. The approved grant in the amount of \$238,000.00 will be used for the costs associated with a courthouse wide audiovisual project as identified in the application for fiscal years 24:25. If the court's Municipal Fill the Gap funds are insufficient to support the approved request, there is no obligation or approval to provide state funds.

For projects spanning multiple fiscal years, annual progress status reports are required. A report identifying the progress of obtaining new equipment installed or purchased will be due on 1/1/2025. A final status report is required and due on 8/15/2025 or forty-five days (45) after the project expiration date. The status report should include responses to the following measurements:

- Proof of purchase (Invoices/receipts) for all (items/services) which were utilized with grant monies.

Should you have any questions or concerns, please *do not* hesitate to reply to this email or use the messaging feature in the grant's portal.

Thank you.
