BE IT RESOLVED BY THE BOARD OF DIRECTORS OF SADDLEBACK COMMUNITY FACILITIES DISTRICT NO. 3 as follows:

1. Findings.

a. Saddleback Community Facilities District No. 3 (hereinafter called the “District”) is authorized (1) by Section 48-719, Arizona Revised Statutes to issue and sell general obligation bonds of the District to provide moneys for public infrastructure purposes consistent with the General Plan for the Proposed Saddleback Community Facilities District No. 3, and (2) by Section 48-709(G), Arizona Revised Statutes to repay all or part of fees and charges collected from landowners for public infrastructure purposes, the advance of moneys by landowners for public infrastructure purposes or the granting of real property by the landowner for public infrastructure purposes from the proceeds of such bonds pursuant to agreements entered into with landowners and the City of Peoria, Arizona, pursuant to Section 48-709(A)(10), Arizona Revised Statutes.

b. Pursuant to Section 48-723, Arizona Revised Statutes, the District is authorized to levy an ad valorem tax on the assessed value of all real and personal property in the District at a rate which does not exceed the maximum rate specified in the ballot with respect thereto as hereinafter described, including taxes attributable to the operation and maintenance expenses of the District, but not in excess of thirty cents (30¢) per one hundred dollars (\$100) of such assessed valuation for such operation and maintenance.

c. Such bonds may not be issued and such tax may not be levied unless approved at an election ordered and called to submit to the qualified electors of the District or to those persons who will be qualified to vote pursuant to Section 48-707(G), Arizona Revised Statutes [being, if no person has registered to vote within the area to be included within the boundaries of the District within fifty (50) days immediately preceding any scheduled election date, the owners of land within the District who will be qualified electors of the State of Arizona and other landowners according to Section 48-3043, Arizona Revised Statutes (hereinafter referred to as the “qualified electors”)], the question of authorizing the Board of Directors of the District (hereinafter referred to as the “District Board”) to issue such bonds and to levy such tax.

d. The District Board deemed it necessary and advisable to order and call such an election and to establish the procedures whereby such election should be held and did so pursuant to Resolution No. SCFD3 2025-01 adopted by us on August 19, 2025 (hereinafter referred to as the “Election Resolution”), which provided that a special election be held on September 9, 2025 (hereinafter referred to as the “Election”), at which time there was submitted to the qualified electors of the District the questions set forth in the official ballot described in the Election Resolution.

e. The election board for the Election filed with the District Board its returns of election and the ballots cast at the polling place, and the District Board canvassed the returns of the Election and determined (1) that a total of one (1) ballot(s) had been cast in response to the questions submitted, that in answer to the questions submitted, such ballot was marked “Bonds, Yes” and no ballots were marked “Bonds, No” with respect to the issuance of the Bonds (as defined in the Election Resolution) and such ballot was marked “Tax, Yes” and no ballots were marked “Tax, No” with respect to the levying of the Operation and Maintenance Expenses Tax (as defined in the Election Resolution); (2) that the Election had been conducted and the returns thereof made as required by law; and (3) that only qualified electors were permitted to vote at the Election.

2. Canvass. After careful examination of the official returns of the Election, the District Board finds and determines as follows:

a. That a majority of the votes cast by the qualified electors voting at the Election voted “Bonds, Yes” in response to the following question:
