Interviewing for Reappointment:

Name	District	Qualities/Qualification Summary
Molina, Edward	Willow	Interest: I moved to Peoria in 1960 and went through the Peoria Schools, graduating from Peoria High School in 1971. I personally knew the mayors and city employees of Peoria when there were only 4,000 residents in this agricultural community. Even though I joined the Army in 1971 I always knew that one day I would return and wanted to figure a way to serve my community. Much has changed over the past fifty years but understanding how we are connected to other regions of the country is important for not only the old-timers but new residents. Knowing that many of the early farmers and ranchers in the area came from southern Illinois and Missouri is almost intuitive but how we are connected to the Pacific Northwest might be something of interest. Experience/Professional Qualification: In addition to being resident of Peoria, I am also on the Economic Development Advisory Board. I have been on various boards and commissions throughout my career and these experiences have and will continue to serve me well in future similar positions. Vision: The geographic footprint of Peoria and known resources support planned judicious growth in residential as well as business and industrial bases. Much the same as Peoria was a significant agricultural cog in the west valley during the 1940s, through the 1970s it can be a business and industrial cog moving forward. If you think of a city as a living organism it is even more important to understand what the DNA of the city is in order to project where it might be in ten or more years.
Okeke, Tobechukwu	Mesquite	Qualities: passionate, cares about the well-being of the individuals in our community, knowledge of Peoria, team player, high emotional intelligence, communicator, sound judgement, critical thinker, public speaking, active listening, creativity, background in marketing, philosophy, physical and life sciences and entrepreneurship Interest: would like to positively contribute to the betterment of this place I call home, learn more about Peoria and inner workings of a city Civic Activities: PLI 2019, Stable Influence Charity Programs, Crisis Text Line, ASU Venture Devils Experience: PUSD11 Superintendent's President Advisory Board and Community Committee 2014.

Name	District	Qualities/Qualification Summary
Paz, Christine	Willow	Interest: I am retired resident of Peoria and want to use my time to help better serve the community. I believe the parks, services, and recreational activities are important in bringing the community together and helping to build great neighborhoods. I love staying active, being outdoors, organizing and planning events, and helping others! I would love an opportunity to get more involved in Peoria and understanding the needs of the city. Thank you for considering me. Experience: I have more than 20 years of federal law enforcement experience including more than 10 years in management of personnel and resources. The majority of my professional experience involves leadership, strategic and tactical planning, implementing initiatives, risk management, policy compliance, enforcement of laws, supervision of personnel and resources, and development of robust private and public sector relationships. I have experience and training in educating the public on the roles, missions, and responsibilities of specific federal agencies, handling media relations to include critical incidents, and organizing and planning events. I have various volunteer experiences which includes fund raising events. I currently serve as volunteer at a local pediatric hospital. I am also completing pre-licensing classes in real estate and developing a better understanding of real property principles and its application to community needs. Participation: Absolutely! I am a patron of the Peoria Public Library System and have enjoyed the abundant offerings of books and multi-media at Sunrise Mountain Library. My experience using library services has been overwhelmingly positive - I especially enjoy the access to cultural passes, resale of donated books, and free seeds offered at the library. I was very pleased with the responsiveness and receptiveness of the Peoria Director of Library and Cultural Services in listening to a concern. I regularly use the parks in my community and appreciate the availability of excellent facilities to include tennis courts, pickle-ball courts, and playing facilities. I believe Peoria has many outstanding parks and access to recreation.
